

GOP INCREASES ITS MAJORITY, FIGURES SHOW

The Republican majority in Adams county shows a gain of 447 over the previous election according to the final tabulation of the registered voters completed by the county board today.

The Republican majority, according to the registration figures, is currently 2,503 as compared to a Republican majority of 2,056 immediately prior to last year's election.

The total number of voters at the present time is 18,589, a gain of 166, last year, prior to the election, the number registered was 18,423.

Democrats Show Loss

Republican men now total 5,848, an increase of 253 over the previous year's registration of 5,595. The number of Republican women voters is 4,582, an increase of 54 over the 4,528 of last election day.

While Republicans showed a gain over last year, the Democrats lost ground in the registration. This year's total of 4,542 men is a drop of 84 from the 4,626 registered last year. The current number of Democratic women, 3,385, is 56 less than the 3,441 during the comparable period a year ago.

The total number of Republicans registered as of today is 10,430, and the total of Democrats is 7,927. Last year the numbers were: Republicans, 10,123; Democrats, 8,607.

Non-partisan voters in the county total 223, 131 of them men and 92 women. There are also nine voters, six men and three women, in other parties, including Social Justice, Progressive and Socialist.

COUNTY'S GAIN IN POPULATION TOPS STATE RATE

Washington, Sept. 22 (AP) — The U. S. Bureau of the Census announced today that Pennsylvania in the last 10 years showed a population gain of more than half a million.

The unofficial Pennsylvania total for the 1950 nose counting was 10,462,628—a gain of 5.7 per cent over the official 1940 figure of 9,900,180.

Roy V. Peel, director of the Census Bureau, said the final figure for the state may vary slightly from the one released today because of duplications, men in service, and others not counted.

Adams county with a gain of 11.8 per cent was among 39 counties showing an increase over the 1940 census figure. Elk county reported exactly the same figure for this year as 10 years ago and the other counties showed a decrease ranging from a fraction of one per cent up to over 15 per cent for Forest county, and over 14 per cent for Lackawanna county.

Other counties reporting population losses in this state are: Armstrong, Bedford, Blair, Cambria, Carbon, Clarion, Clearfield, Fayette, Fulton, Huntingdon, Indiana, Jefferson, Juniata, Luzerne, McKean, Northumberland, Potter, Schuylkill, Somerset, Sullivan, Susquehanna, Warren, Washington, Wayne and Wyoming.

York county had an increase of 13.7; Franklin, 9.6; Cumberland, 25.8; Dauphin, 11.1, and Perry, 6.5.

Emmitsburg

PFC. R. HARBAUGH IS IMPROVING

Emmitsburg — Pfc. Robert Harbaugh, who was reported wounded in Korea about four weeks ago, is recovering according to word received by the family. Private Harbaugh is the son of Mrs. Emmert Harbaugh of Emmitsburg R. 1.

Mrs. Duncan Moore of Greencastle spent Wednesday evening with her mother and sister, Mrs. E. L. Higbee and Mrs. Harold Hoke of West Main street.

A fine collection of fruits, vegetables and other foods was received at the annual Harvest Home Festival service held by the Church of the Incarnation, Evangelical and Reformed, last Sunday. Everything was sent to Homewood, their home for the aged, located at Hagerstown.

Miss Eileen Wetzel is spending the week in Baltimore visiting her brother-in-law and sister, Mr. and Mrs. Raymond Etheridge.

A sound film will be shown in the Emmitsburg Presbyterian church on Sunday, October 15, at 7:30 p.m. Church services of Emmitsburg will be held on standard time beginning this Sunday.

Mr. and Mrs. Hudson Rhodes returned to their home in Baltimore this week. Mrs. Rhodes visited several weeks with her parents, Mr. and Mrs. E. L. Annan, of West Main street.

Miss Rhoda Gillelan and Mrs. Thomas Epperson spent several days at Atlantic City and returned on Wednesday. Mr. and Mrs. J. L. Nester returned with them from Atlantic City. Mrs. Nester had suddenly taken sick while the Nesters were vacationing at Atlantic City and they remained there five weeks. Mrs. Nester is reported very much improved.

Mr. and Mrs. Carroll Martin are moving from the Harner apartments to the C. C. Combs property this week.

Miss Ann Codori returned this week from a two-week vacation trip (Continued on Page 4)

NICKEL CUP OF COFFEE SOON TO BE ONLY MEMORY

Beginning October 1, the price of a cup of coffee, a la carte, in Adams county restaurants which are members of the newly-formed Adams County Restaurant association, will be 10 cents. This was decided at a meeting of the association Thursday night at the Adams House.

The association, which held its first meeting on September 14 at the Shetter House, chose its name Thursday night, and decided that the annual dues in the organization would be \$5. N. A. Meligakes, Plaza restaurant, named president at the preceding meeting, presided. Other officers are Mrs. Violet Hill, Mitchell's restaurant, secretary, and Paul Evans, Evans Lunch and grocery store, treasurer.

The association now has 24 members, Mr. Meligakes announced. The next meeting will be held October 11 at the Shetter House.

Present at Thursday night's meeting, besides the officers, were: Mrs. Paul Evans; Charles Ramos, P and T restaurant; Ernest Kranias, Texas Lunch; Walter Shaeffer, Shaeffer's lunch; Cloyd Shetter, Shetter House; Miss Maxine Stewart, Adams House; Charles Smith, Spud-Nut shop; Stephen C. Smith, Moose; Charles Milne, Majestic Soda Grill; Burnell Buohl, Ned's Tavern; Dick Millard, Snack Shack, and Harvey Warner, Peace Light inn.

Others who attended the first meeting but were not present Thursday night included George J. Lazos, P and T restaurant; Ross Shuman, Shuman's drug store; Avery Shinn, Earle's Lunch; Steve Svarnas, De-Luxe restaurant and Peter Wyandt, Lee-Meade inn. An invitation was extended to all restaurant proprietors and clubs in the county to join the new association.

During the intermission, letters and telegrams were read from: Franklin Clark Fry, New York city, president of ULCA; Dr. Luther Gotwald, New York city, a graduate of Gettysburg college and seminary and executive secretary of the ULCA's department of foreign missions; J. T. Coyle, North Hollywood, production manager for Cathedral Films, which made the movie; Mike Whalen, Beverly Hills, who played the part of the minister; Guy Wallace, the banker in the film; Jean Hayworth, Forest Hills, N. Y.; Shirley Eggelston and others who had parts but were unable to be present.

The film was previewed by churchmen in New York city recently. Dr. Fry wrote that the film is "superb," and "evidence that Trinity Lutheran

MANY STARS IN ROTARY CIRCUS

American arena stars along with English and Asiatic importations hold top spots among the "Champions of All Nations" assemblage featured with the Mills Brothers circus to be presented here October 4 by the Gettysburg Rotary club.

Dr. Kenneth L. Smoke, president of the local club, said today that one of the top performers to be seen in the three ring circus is Ray Goody, a young Cleveland, Ohio, resident, who is described as the "mad-cap of the tight wire."

Goody was urged by an uncle to join the circus. A shy youngster, he watched circus wire walking stars and became confident he could master the tight-wire. His first try proving successful Goody soon shared top billing in a seven-people wire act, and became known as the nation's premier wire artist as well as the youngest. His career was interrupted by World War II service, but since his return, his performance has been described as even greater than before.

Doctor Smoke noted that the Mills Brothers circus is the world's largest motorized circus and now is on its 11th annual tour. Tickets for the circus are on sale now and can be obtained from any member of Rotary or at Britcher and Bender's drug store. Money raised by the advance sale of tickets will go toward establishment of a dental clinic for children.

Featured stars in the circus are from 18 nations, Smoke said, including the United States; China, South Africa, Holland, England, Wales, Switzerland, France, Spain, Italy and Australia.

More Motorists Fined By Justices

Frank Wilkinson, Orrtanna R. D., paid a fine of \$10 and costs to Justice of the Peace William L. Dentler, Cashtown, on a charge of failing to yield one half of the highway, filed by state police following an accident in which Wilkinson was involved on August 23.

Donald Clifford Beard, Wormleysburg, Pa., charged with speeding, paid a fine of \$10 and costs to Justice of the Peace Robert F. Bell, Gettysburg R. 4.

Clarence Thomas, Fayetteville R. D., was fined \$10 and costs by Squire Dentler on a charge of driving on the wrong side of the highway, filed as the result of an accident on August 15.

Charles Winemiller, York, paid \$5 and costs to Justice of the Peace David Hikes, New Oxford, for a stop sign violation. D. M. Witmer, Hanover, was fined \$2 and costs by Squire Bell for having no inspection sticker.

LICENSED TO WED

A marriage license was issued at the court house today to Robert Rodney Small, son of Mr. and Mrs. Robert Harner Small, Hanover, and Gloria Cecelia Spangler, daughter of Mr. and Mrs. Arlington Spangler, McSherrystown.

Over 2,000 Brave Rain To See Church Film's Premier

In spite of Thursday evening's downpour of rain, more than 2,000 persons drove to the South Mountain fair grounds to witness the first public showing of the United Lutheran Church's new stewardship movie, "For Good or Evil." The movie, scenes of which were filmed in Arendtsville and other sections of Adams county, was given two showings in the memorial auditorium, at 7:45 p.m. and 9:15 p.m.

The auditorium, with a capacity of 1,800, was nearly filled for the first showing. Approximately 500 were present for the second showing, "Stills" of many of the scenes in the movie were on display in the lobby, and attracted much attention.

Rev. Robert Schiebel, pastor of the Arendtsville Lutheran church, where several of the scenes were filmed, and Henry Endress, head of the stewardship department of the ULCA, acted as masters of ceremonies both prior to the first showing and during the intermission, when all local members of the cast and others who helped in the production were called to the stage.

Others present included Harold Landis, New York city, head of the Lutheran Laymen's movement, and guests from Baltimore, Johnstown and other cities.

During the intermission, letters and telegrams were read from: Franklin Clark Fry, New York city, president of ULCA; Dr. Luther Gotwald, New York city, a graduate of Gettysburg college and seminary and executive secretary of the ULCA's department of foreign missions; J. T. Coyle, North Hollywood, production manager for Cathedral Films, which made the movie; Mike Whalen, Beverly Hills, who played the part of the minister; Guy Wallace, the banker in the film; Jean Hayworth, Forest Hills, N. The film was previewed by churchmen in New York city recently. Dr. Fry wrote that the film is "superb," and "evidence that Trinity Lutheran

County Native Is Meter Firm Head

John C. Diehl, a native of New Oxford, was recently chosen president of the American Meter company to succeed Norton McKean, who resigned because of ill health.

Mr. Diehl, who now resides in Erie, graduated from Gettysburg college in 1905, and received a bachelor of science degree in civil engineering at the Massachusetts Institute of Technology in 1910. From 1905 to 1917 he was employed in the engineering department of the Pennsylvania railroad and he served as a lieutenant in World War I with the Engineering Research Corps of the U. S. Army.

Since 1919 Mr. Diehl was associated with the American Meter company, joining the staff as an engineer. He was advanced to the post of chief engineer in 1929, and in 1934 was elected vice president.

Mr. Diehl is a member of the American Gas association and of the Gas Appliance Manufacturers association, and is the author of numerous technical articles and books on gas measurement.

GHS-Delone Game Saturday Night

Announcement was made this afternoon of the postponement of the Gettysburg-Delone high school football game until Saturday evening at 8 o'clock.

The game was originally listed for this evening but heavy rains Thursday and again today resulted in the decision to postpone the game until Saturday night.

Telegrapher But No Key At W.M. Passenger Station — No Passengers There Either

The Western Maryland railroad's passenger station on Carlisle street, which no longer welcomes passengers, now has a lady telegraph operator — and no telegraph.

Miss C. Elizabeth Brody, formerly of Hagerstown, is the new telegraph operator there, but her duties no longer include using the telegraph. However the job still carries with it all the duties of the telegrapher other than handling a key—the telephone now is used entirely on the Western Maryland branch to replace the telegraph.

However the first woman telegrapher in the local station's history should be able to use the telephone just as efficiently as the telegraph. Before becoming a telegraph operator May 6, 1945, she for a number of years was a telephone switchboard operator in the Western Maryland office at Hagerstown, handling the switchboard for the railroad's private telephone set-up along the rail lines.

Miss Brody, who resides on Carlisle street, with Mr. and Mrs. C. A. Deitch, is working the 4 p.m. to midnight trick at the local station.

She succeeds Carroll B. Smith, who bid for and received the midnight to 8 a.m. trick when Albert Kanagy left that trick. Smith has been a telegraph operator here for about five years.

Ammon E. Bupp, who has been telegraph operator at the local station for 25 years, continues as operator on the 8 a.m. to 4 p.m. trick. Mr. Bupp, who began railroad work in 1898, recalled today that there were two woman telegraph operators in the county 50 years ago. They were Miss Sherry Scott, who was stationed at Fairfield, and Olive Keady at Orrtanna.

Since that time, Mr. Bupp said no woman served as a telegraph operator in this section until Miss Brody took over her duties.

LAUNCH PLANS FOR HALLOWEEN CELEBRATION

Gettysburg's organizations are again this year being asked to hold a gala Halloween celebration for the borough, it was revealed Thursday evening at the regular meeting of the Moose lodge at its home on York street.

A letter read at the meeting disclosed that the various organizations have been asked to send representatives to a meeting to be held September 28 at the American Legion home to set up the committee for this year's Halloween parade and festivities.

Robert Fox and Moose Governor Stephen C. Smith were named as delegates to the meeting. The various organizations of the town have been sponsoring the Halloween program for the past four years.

14 New Members

Donald Joseph, local recreation director, who is sending out the call for the meeting, said that a number of additional organizations will be asked to participate either financially or by providing committee members this year.

Fourteen new members were obligated at Thursday's session, and two members, Harry Hess, Biglerville, and Wilbert Riggeal, Orrtanna, were honored for their part in the recent membership drive held by the Moose.

Hess, who secured 44 members, the highest number obtained by any one member and Riggeal, who was second high, having secured 26 new members, were presented with gold rings and memberships in the "25 club" made up of Moose who have secured 25 or more new members. The two were told that their pictures will appear in the national Moose magazine for their excellent work in the campaign.

The next meeting of the local Moose lodge will be held October 5, it was announced.

Hospital Auxiliary Will Meet On Monday

The first fall meeting of the Warrenton Hospital Auxiliary will be held Monday afternoon at 2:30 o'clock in the board room at the hospital.

Dr. John Aberly, president emeritus of the Gettysburg Lutheran Theological seminary and for many years a missionary in India and other parts of the Orient, will speak on "Korea and the East."

Refreshments will be served by the hostess committee from New Oxford and Abbotstown headed by Mrs. M. D. DeTar.

During a broadcast over Radio Station WGET at noon today, Mrs. Roy W. Giffert, president of the hospital auxiliary, told of plans for the meeting and gave a brief history of the organization and its activities.

Is Graduated From Germantown Hospital

Miss Virginia Reaver, daughter of Mr. and Mrs. John R. Reaver, Lake Mary, Fla., who is now residing with her brother, John R. Reaver, Jr., Gettysburg R. 2, graduated September 14 as a nurse from the Germantown Dispensary and Hospital, Philadelphia, following three years of training. Graduation exercises were held in the Market Square Presbyterian church.

Miss Reaver, an honor student in her class, was presented the Lt. Col. Frank H. Husted award of the Hewitt-Hawes Post 154 and Ladies' auxiliary which is given for reliability, scholarship and competence as a nurse. An award of \$50 was also given with the certificate of achievement.

Warns Wheat Growers

The Hessian fly is active still, Hartman noted, and wheat planted before the frost kills off the flies usually is afflicted with the blight spread by the fly.

Miss Mickey noted that 84.5 per cent of the youngsters in 4-H work this past summer completed their work, adding that the figure for completions was the highest in years.

She also reported that a meeting of the adult leaders leading to organization of the adult home economics clubs will be held October 17.

Harry E. Brown, Fairfield, president of the extension association, presided at the meeting. The next session will be held November 21, at 7:30 p.m., in the Adams Electric offices.

Five Girl Scouts Will Be On Radio

Five girls representing five Girl Scout troops of Adams county will be interviewed on the teenage program over WGET, Saturday at 4 p.m.

The girls who will talk about the activities of their troops are: Susan Lighter, Troop 6; Nancy Lighter, Troop 29; Peggy Norman, Troop 4, Gettysburg; Gwendolyn Freed, Troop 17, New Oxford, and Mary Seibert, Troop 24, Cashtown.

It is expected that other Girl Scouts from other troops will be heard on scout aims and interests on future broadcasts.

Fractures Skull On Bermuda Honeymoon; In Hospital There

Mrs. Elizabeth Ann Bair, daughter of Mr. and Mrs. Walter J. Lott, of Gardners, whose marriage to John Criley Bair, of Findlay, Ohio, and Swarthmore, Pa., took place last Saturday afternoon in the Church of the Abiding Presence here, is in a hospital in Hamilton, Bermuda, suffering from a fracture of the skull sustained when she fell from a bicycle while honeymooning in Bermuda, according to an Associated Press dispatch today.

Mr. and Mrs. Bair arrived in Bermuda on Monday. Mrs. Bair fell and struck her head on the highway while cycling to a beach.

Bair, a corporal in the Marine corps, is the son of Mr. and Mrs. Robert T. Bair, of Swarthmore. He has received orders to report for active duty October 13.

Mrs. Bair is a graduate of Biglerville high school and Gettysburg college. She is a past president of the Women's Student Government at the college. Bair also graduated from Gettysburg college, and was president of the Interfraternity Council.

HARTMAN SEES BUILDING UP OF PEST IMMUNITY

The possibility that Adams county fruit insects are developing a capacity for survival against poisons used against them was raised by County Agent M. T. Hartman in his monthly report made Thursday evening at the regular meeting of the County Agricultural Extension association's executive committee.

Hartman told the group, gathered at the Adams Electric Cooperative offices on North Stratton street, that the past growing season has proved unusual in that spray schedules which previously wiped out the insect problems did not prove, in some instances, as effective this year as in the past.

He raised the question of whether the wet spring and summer may have caused the appearance of some worms in apples by washing off spray materials faster than they could be applied by the growers, and also raised the question of whether some of the materials, in their manufacture, may have been deficient in potency.

The executive committee discussed the possibility of holding the annual meeting of the county agricultural extension association between Christmas and New Year's this winter, with an all-day instead of a night program.

Report On Roundup

Assistant County Agent Ira N. Dunnire reported on the recent swine club roundup and he and Miss Mary Jane Mickey, county home economics extension representative, discussed the recent 4-H roundup held as part of the South Mountain Fair. They told the committee that the Danish system of judging was used this year, which permits giving of first places to as many exhibits as warrant the blue ribbon.

Dunnire also noted the development of freak tomatoes in one field where 2-4-D put on another field nearby was blown by the wind into the tomatoes. The results included odd-shaped tomatoes and damage to the leaves of the tomato plants.

Hartman urged the committee members to carry this message to as many farmers as possible—that planting wheat before the first killing frost is an invitation to a bad crop.

10,000 Reds Battle U.S. Marines For Seoul City

By LEIF ERICKSON
Tokyo, Sept. 22 (AP) — Allied Marines battled 10,000 Korean Reds for Seoul today with bayonets and close-range gunfire on the capital's outskirts.

Bitter hand-to-hand combat raged on two sides of the city as other Allied forces punched out two 20-mile advances from the new and old beachheads to block Red reinforcements for Seoul.

AP Correspondent Bob Whitehead, with U. S. and South Korean Marines outside Seoul, reported a task force from the U. S. Seventh Infantry Division thrust from the Inchon beachhead to capture Suwon airfield, 20 miles south of Seoul and 25 miles southeast of Inchon.

The other big advance came up from the central sector of the old Pusan beachhead perimeter.

U. S. Cavalry Boils On
The U. S. First Cavalry Division there rolled an armored column 20 miles north of Tabu toward the important rail and highway junction of Sangju, 100 miles southwest of Seoul.

Whitehead said the Allied Marines had not entered Seoul proper, but that patrols were moving toward the city limits of the west side. He reported 10,000 Communists were in savage combat. Fleeing civilians said the Reds were putting up street barricades in Seoul for house-to-house fighting.

Seventh Division infantrymen took Suwon airfield with little opposition, Whitehead reported. Earlier, General MacArthur's general headquarters summary said only that elements of the Seventh Division had entered Suwon without opposition. It did not mention the airfield.

Still A Mystery

Suwon is a vital communications hub astride the major route of Communists withdrawing from the United Nations' expanding Pusan beachhead in the far southeast.

U. S. Marines used bayonets and flame throwers to make a mile-wide swath through Seoul's industrial western suburb of Yongsongpo, on the southwest side of the Han. Other marines cut the rail and highway lines into the capital from the northwest.

These were the toughening phases of the amphibious assault aimed at seizing Seoul, the bottleneck distribution center for Communists flanking and fleeing in the south. Barring effective reinforcements from the north, it also puts the Reds in the tightening jaw of a trap.

A tank-led Red mystery column, reported yesterday by 10th Corps intelligence to be moving southward from Red China's Manchurian border, retained a mystery. Washington army spokesmen said they had heard nothing of such reinforcements and nothing more was reported by the 10th Corps Friday.

BULLETINS

Washington, Sept. 22 (AP)—Definite word came from the White House today that President Truman will issue a veto message, within a matter of hours, on the subversives control bill passed by Congress.

Lawmakers eager to start a vacation were ready to pass the bill over his veto and go home until November 27.

New York, Sept. 22 (AP) — The Steering committee sent today to the U.N. General Assembly Russia's charges of United States aggression against China, but deferred action on an American proposal to place Formosa's future in the assembly's hands.

Nationalist China was the only nation opposing a hearing of Russia's charges against the United States. The American delegation voted to include the item on the assembly's agenda.

Washington, Sept. 22 (AP)—Two air force F-84 Thunderjet fighters took off from Manston airbase in England at 8:01 a.m. (EST) today in a second attempt to fly 3,600 miles non-stop to New York.

Air force headquarters announced that the two single-engine planes, piloted by Col. Dave Schilling and Lt. Col. W. D. Ritchie, completed their first refueling over Prestwick, Scotland, an hour later.

Washington, Sept. 22 (AP) — The House shouted overwhelming approval today of a "first installment" tax-boosting bill to help pay for the costs of arming against Communist aggression. Quick Senate passage was expected to put it into President Truman's desk by nightfall.

GOP INCREASES ITS MAJORITY, FIGURES SHOW

The Republican majority in Adams county shows a gain of 447 over the previous election according to the final tabulation of the registered voters completed by the county board today.

The Republican majority, according to the registration figures, is currently 2,503 as compared to a Republican majority of 2,056 immediately prior to last year's election.

The total number of voters at the present time is 18,589, a gain of 166. Last year, prior to the election, the number registered was 18,423.

Democrats Show Loss

Republican men now total 5,848, an increase of 253 over the previous year's registration of 5,595. The number of Republican women voters is 4,582, an increase of 54 over the 4,528 of last election day.

While Republicans showed a gain over last year, the Democrats lost ground in the registration. This year's total of 4,542 men is a drop of 84 from the 4,626 registered last year. The current number of Democratic women, 3,385, is 56 less than the 3,441 during the comparable period a year ago.

The total number of Republicans registered as of today is 10,430, and the total of Democrats is 7,927. Last year the numbers were: Republicans, 10,123; Democrats, 8,607.

Non-partisan voters in the county total 223, 131 of them men and 92 women. There are also nine voters, six men and three women, in other parties, including Social Justice, Progressive and Socialist.

Carol Lee Nichols Dies On Thursday

Carol Lee Nichols, 12, died at her home, 236 Buford avenue, Thursday evening at 7:25 o'clock from a complication of diseases. She had been ill since April 1.

The child was born in Pittsburgh, a daughter of Mr. and Mrs. M. Hardy Nichols, and resided in Gettysburg for the last eight years. When she became ill she was a seventh grade student at the Lincoln school. She was a member of St. James Lutheran Sunday school, the junior high school choir and Girl Scout troop No. 8.

In addition to her parents she is survived by a brother, M. Hardy, Jr., and paternal grandfather, Albert Nichols, Highland, Md.

Funeral services Sunday at 2 p.m., from the Bender funeral home conducted by the Rev. Dr. Ralph R. Gresh. Interment in Evergreen cemetery. Friends may call at the funeral home Saturday evening after 7 o'clock.

COUNTY'S GAIN IN POPULATION TOPS STATE RATE

Washington, Sept. 22 (AP)—The U. S. Bureau of the Census announced today that Pennsylvania in the last 10 years showed a population gain of more than half a million.

The unofficial Pennsylvania total for the 1950 nose counting was 10,462,628—a gain of 5.7 per cent over the official 1940 figure of 9,960,180.

Roy V. Peel, director of the Census Bureau, said the final figure for the state may vary slightly from the one released today because of duplications, men in service, and others not counted.

Adams county with a gain of 11.8 per cent was among 39 counties showing an increase over the 1940 census figure. Elk county reported exactly the same figure for this year as 10 years ago and the other counties showed a decrease ranging from a fraction of one per cent up to over 15 per cent for Forest county, and over 14 per cent for Lackawanna county.

Other counties reporting population losses in this state are: Armstrong, Bedford, Blair, Cambria, Carbon, Clarion, Clearfield, Fayette, Fulton, Huntingdon, Indiana, Jefferson, Juniata, Luzerne, McKean, Northumberland, Potter, Schuylkill, Somerset, Sullivan, Susquehanna, Warren, Washington, Wayne and Wyoming.

York county had an increase of 13.7; Franklin, 9.6; Cumberland, 25.8; Dauphin, 11.1, and Perry, 6.5.

Emmitsburg

PFC. R. HARBAUGH IS IMPROVING

Emmitsburg — Pfc. Robert Harbaugh, who was reported wounded in Korea about four weeks ago, is recovering according to word received by the family. Private Harbaugh is the son of Mrs. Emmert Harbaugh of Emmitsburg R. 1.

Mrs. Duncan Moore of Greencastle spent Wednesday evening with her mother and sister, Mrs. E. L. Higbee and Mrs. Harold Hoke of West Main street.

A fine collection of fruits, vegetables and other foods was received at the annual Harvest Home Festival service held by the Church of the Incarnation, Evangelical and Reformed, last Sunday. Everything was sent to Homewood, their home for the aged, located at Hagerstown.

Miss Eileen Wetzel is spending the week in Baltimore visiting her brother-in-law and sister, Mr. and Mrs. Raymond Etheridge.

A sound film will be shown in the Emmitsburg Presbyterian church on Sunday, October 15, at 7:30 p.m. Church services of Emmitsburg will be held on standard time beginning this Sunday.

Mr. and Mrs. Hudson Rhodes returned to their home in Baltimore this week. Mrs. Rhodes visited several weeks with her parents, Mr. and Mrs. E. L. Annan, of West Main street.

Miss Rhoda Gillelan and Mrs. Thomas Epperson spent several days at Atlantic City and returned on Wednesday. Mr. and Mrs. J. L. Nester returned with them from Atlantic City. Mrs. Nester had suddenly taken sick while the Nesters were vacationing at Atlantic City and they remained there five weeks. Mrs. Nester is reported very much improved.

Mr. and Mrs. Carroll Martin are moving from the Harner apartments to the C. C. Combs property this week.

Miss Ann Codori returned this week from a two-week vacation trip (Continued on Page 4)

NICKEL CUP OF COFFEE SOON TO BE ONLY MEMORY

Beginning October 1, the price of a cup of coffee, a la carte, in Adams county restaurants which are members of the newly-formed Adams County Restaurant association, will be 10 cents. This was decided at a meeting of the association Thursday night at the Adams House.

The association, which held its first meeting on September 14 at the Shetter House, chose its name Thursday night, and decided that the annual dues in the organization would be \$5. N. A. Meligakes, Plaza restaurant, named president at the preceding meeting, presided. Other officers are Mrs. Violet Hill, Mitchell's restaurant, secretary, and Paul Evans, Evans Lunch and grocery store, treasurer.

The association now has 24 members. Mr. Meligakes announced. The next meeting will be held October 11 at the Shetter House.

Present at Thursday night's meeting, besides the officers, were: Mrs. Paul Evans; Charles Ramos, F and T restaurant; Ernest Kranias, Texas Lunch; Walter Shaeffer, Shaeffer's lunch; Cloyd Shetter, Shetter House; Miss Maxine Stewart, Adams House; Charles Smith, Spud-Nut shop; Stephen C. Smith, Moose; Charles Milne, Majestic Soda Grill; Burnell Buohi, Ned's Tavern; Dick Millard, Snack Shack, and Harvey Warner, Peace Light inn.

Others who attended the first meeting but were not present Thursday night included George J. Lazos, F and T restaurant; Ross Shuman, Shuman's drug store; Avery Shinn, Earle's Lunch; Steve Svarnas, DeLuxe restaurant and Peter Wyandt, Lee-Meade inn. An invitation was extended to all restaurant proprietors and clubs in the county to join the new association.

MANY STARS IN ROTARY CIRCUS

American arena stars along with English and Asiatic importations hold top spots among the "Champions of All Nations" assemblage featured with the Mills Brothers circus to be presented here October 4 by the Gettysburg Rotary club.

Dr. Kenneth L. Smoke, president of the local club, said today that one of the top performers to be seen in the three ring circus is Ray Goody, a young Cleveland, Ohio, resident, who is described as the "mad-cap of the tight wire."

Goody was urged by an uncle to join the circus. A shy youngster, he watched circus wire walking stars and became confident he could master the tight-wire. His first try proving successful Goody soon shared top billing in a seven-people wire act, and became known as the nation's premier wire artist as well as the youngest. His career was interrupted by World War II service, but since his return, his performance has been described as even greater than before.

Doctor Smoke noted that the Mills Brothers circus is the world's largest motorized circus and now is on its 11th annual tour. Tickets for the circus are on sale now and can be obtained from any member of Rotary or at Britcher and Bender's drug store. Money raised by the advance sale of tickets will go toward establishment of a dental clinic for children.

Featured stars in the circus are from 18 nations, Smoke said, including the United States, China, South Africa, Holland, England, Wales, Switzerland, France, Spain, Italy and Australia.

More Motorists Fined By Justices

Frank Wilkinson, Orrtanna R. D., paid a fine of \$10 and costs to Justice of the Peace William L. Dentler, Cashtown, on a charge of failing to yield one half of the highway, filed by state police following an accident in which Wilkinson was involved on August 23.

Donald Clifford Beard, Wormleysburg, Pa., charged with speeding, paid a fine of \$10 and costs to Justice of the Peace Robert F. Bell, Gettysburg R. 4.

Clarence Thomas, Fayetteville R. D., was fined \$10 and costs by Squire Dentler on a charge of driving on the wrong side of the highway, filed as the result of an accident on August 15.

Charles Winemiller, York, paid \$5 and costs to Justice of the Peace David Hikes, New Oxford, for a stop sign violation. D. M. Witmer, Hanover, was fined \$2 and costs by Squire Bell for having no inspection sticker.

LICENSED TO WED

A marriage license was issued at the court house today to Robert Rodney Small, son of Mr. and Mrs. Robert Harner Small, Hanover, and Gloria Cecelia Spangler, daughter of Mr. and Mrs. Arlington Spangler, McSherrystown.

Over 2,000 Brave Rain To See Church Film's Premier

In spite of Thursday evening's downpour of rain, more than 2,000 persons drove to the South Mountain fair grounds to witness the first public showing of the United Lutheran Church's new stewardship movie, "For Good or Evil." The movie, scenes of which were filmed in Arendtsville and other sections of Adams county, was given two showings in the memorial auditorium, at 7:45 p.m. and 9:15 p.m.

The auditorium, with a capacity of 1,800, was nearly filled for the first showing. Approximately 500 were present for the second showing. "Still" of many of the scenes in the movie were on display in the lobby, and attracted much attention.

Rev. Robert Schiebel, pastor of the Arendtsville Lutheran church, where several of the scenes were filmed, and Henry Endress, head of the stewardship department of the ULCA, acted as masters of ceremonies both prior to the first showing and during the intermission, when all local members of the cast and others who helped in the production were called to the stage.

Others present included Harold Landis, New York city, head of the Lutheran Laymen's movement, and guests from Baltimore, Johnstown and other cities.

During the intermission, letters and telegrams were read from Franklin Clark Fry, New York city, president of ULCA; Dr. Luther Gotwald, New York city, a graduate of Gettysburg college and seminary and executive secretary of the ULCA's department of foreign missions; J. T. Coyle, North Hollywood, production manager for Cathedral Films, which made the movie; Mike Whalen, Beverly Hills, who played the part of the minister; Guy Wallace, the banker in the film; Jean Hayworth, Forest Hills, N. Y.; Shirley Eggelston and others who had parts but were unable to be present.

The film was previewed by churchmen in New York city recently. Dr. Fry wrote that the film is "superb," and "evidence that Trinity Lutheran

County Native Is Meter Firm Head

John C. Diehl, a native of New Oxford, was recently chosen president of the American Meter company to succeed Norton McKean, who resigned because of ill health.

Mr. Diehl, who now resides in Erie, graduated from Gettysburg college in 1905, and received a bachelor of science degree in civil engineering at the Massachusetts Institute of Technology in 1910. From 1905 to 1917 he was employed in the engineering department of the Pennsylvania railroad and he served as a lieutenant in World War I with the Engineering Research Corps of the U. S. Army.

Since 1919 Mr. Diehl was associated with the American Meter company, joining the staff as an engineer. He was advanced to the post of chief engineer in 1929, and in 1934 was elected vice president.

Mr. Diehl is a member of the American Gas association and of the Gas Appliance Manufacturers association, and is the author of numerous technical articles and books on gas measurement.

GHS-Delone Game Saturday Night

Announcement was made this afternoon of the postponement of the Gettysburg-Delone high school football game until Saturday evening at 8 o'clock.

The game was originally listed for this evening but heavy rains Thursday and again today resulted in the decision to postpone the game until Saturday night.

Telegrapher But No Key At W.M. Passenger Station — No Passengers There Either

The Western Maryland railroad's passenger station on Carlisle street, which no longer welcomes passengers, now has a lady telegraph operator—and no telegraph.

Miss C. Elizabeth Brody, formerly of Hagerstown, is the new telegraph operator there, but her duties no longer include using the telegraph. However the job still carries with it all the duties of the telegrapher other than handling a key—the telephone now is used entirely on the Western Maryland branch to replace the telegraph.

However the first woman telegrapher in the local station's history should be able to use the telephone just as efficiently as the telegraph. Before becoming a telegraph operator May 6, 1945, she for a number of years was a telephone switchboard operator in the Western Maryland office at Hagerstown, handling the switchboard for the railroad's private telephone set-up

church and everyone in Arendtsville did everything possible to make it real." Dr. Gotwald wrote "that the film brought back many memories of his days at Gettysburg college and seminary, and he praised the cooperation of the local members of the cast as "wonderful." He said "It helps to understand what Christian stewardship means."

16 Bookings Already

Miss Hayworth and Miss Eggelston sent their congratulations to the local members of the cast, expressed their delight at having parts in the film, and said they regretted they were unable to attend the premier.

Several Adams county doctors, who appeared in scenes which were filmed at the Warner hospital, were present for the premier.

Rev. Schiebel, secretary of this district of the Lutheran church, said today that the film has already been booked for showing in 16 churches. It will be shown at the Gettysburg Lutheran Theological seminary on September 26, he said.

DEED TO ADAMS APPLE IS FILED BY DUFFY-MOTT

The Duffy-Mott corporation of 370 Lexington avenue, New York city, now owns the Adams Apple plant at Aspers.

A deed recorded with the county register and recorder conveys the land and property of the Adams Apple corporation, of Philadelphia, and Emmanuel L. and Ethel S. Mann, Cynwyd, Pa., to the New York concern for \$289,300.

Adams Apple operated the Aspers plant for a number of years, expanding the property over the past several years and building extensive additions to the warehouse space and machinery used in the plant.

Bankruptcy Withdrawn

Last year it fell into financial difficulties and was unable to pay a number of claims against it. Recently several county growers sued the corporation, asking that it be declared bankrupt. A settlement, however, was worked out giving the smaller creditors the full amount of their bills and larger creditors about 50 cents on the dollar. As a result of that settlement the bankruptcy proceedings were withdrawn and the transfer of the property to Duffy-Mott was made possible.

The Duffy-Mott concern is one of the largest processing houses in the United States. Its Mott jellies and juices are among the leading sellers in a number of stores.

The establishment of Duffy-Mott here gives the county three large processing concerns, the C. H. Muselman company and Knouse Foods cooperative being the other two. Each of the three is among the leaders in the industry.

Walter A. Baer Now Lieutenant Colonel

Mrs. Walter A. Baer, Pitzer apartments, 516 Baltimore street, has received word that her husband, Major Baer has been promoted to lieutenant colonel in the United States Army. He is presently stationed as historical officer with a logistical section in Tokyo, going to Japan on September 1, when Mrs. Baer moved here from Washington, D. C.

Col. Baer, a graduate of State college, entered the army as a reserve officer in 1940. He is a former resident of Littlestown, where he published a weekly newspaper, and is a former member of the Littlestown Rotary club.

LAUNCH PLANS FOR HALLOWEEN CELEBRATION

Gettysburg's organizations are again this year being asked to hold a gala Halloween celebration for the borough, it was revealed Thursday evening at the regular meeting of the Moose lodge at its home on York street.

A letter read at the meeting disclosed that the various organizations have been asked to send representatives to a meeting to be held September 28 at the American Legion home to set up the committee for this year's Halloween parade and festivities.

Robert Fox and Moose Governor Stephen C. Smith were named as delegates to the meeting. The various organizations of the town have been sponsoring the Halloween program for the past four years.

14 New Members

Donald Joseph, local recreation director, who is sending out the call for the meeting, said that a number of additional organizations will be asked to participate either financially or by providing committee members this year.

Fourteen new members were obligated at Thursday's session, and two members, Harry Hess, Biglerville, and Wilbert Riggsall, Ortanana, were honored for their part in the recent membership drive held by the Moose.

Hess, who secured 44 members, the highest number obtained by any one member and Riggsall, who was second high, having secured 26 new members, were presented with gold rings and memberships in the "25 club" made up of Moose who have secured 25 or more new members. The two were told that their pictures will appear in the national Moose magazine for their excellent work in the campaign.

The next meeting of the local Moose lodge will be held October 5, it was announced.

Hospital Auxiliary Will Meet On Monday

The first fall meeting of the Warner Hospital Auxiliary will be held Monday afternoon at 2:30 o'clock in the board room at the hospital.

Dr. John Aberly, president emeritus of the Gettysburg Lutheran Theological seminary and for many years a missionary in India and other parts of the Orient, will speak on "Korea and the East."

Refreshments will be served by the hostess committee from New Oxford and Abbotstown headed by Mrs. M. D. DeTar.

During a broadcast over Radio Station WGET at noon today, Mrs. Roy W. Gifford, president of the hospital auxiliary, told of plans for the meeting and gave a brief history of the organization and its activities.

Is Graduated From Germantown Hospital

Miss Virginia Reaver, daughter of Mr. and Mrs. John R. Reaver, Lake Mary, Fla., who is now residing with her brother, John R. Reaver, Jr., Gettysburg R. 2, graduated September 14 as a nurse from the Germantown Dispensary and Hospital, Philadelphia, following three years of training. Graduation exercises were held in the Market Square Presbyterian church.

Miss Reaver, an honor student in her class, was presented the Lt. Col. Frank H. Husted award of the Hewitt-Hawley Post 154 and Ladies' auxiliary which is given for reliability, scholarship and competence as a nurse. An award of \$50 was also given with the certificate of achievement.

Alto, fishing in posted waters, \$25; Thomas Doss, Littlestown R. 1, fishing without a license, \$25; Alvin French, Littlestown R. 1, lending a fishing license, \$25; Kenneth Hamm, Hanover Shoe farms, Hanover, one bass out of season, \$10; Francis J. Slagle, 327 Lincolnway West, New Oxford, rods not under immediate control, \$20; and Paul Staley, Gettysburg R. 2, exceeding creel limit, \$10.

WITH ATLANTIC FLEET

Seaman Apprentice Samuel C. Naugle, Gardners R. 2, is now serving with Beachmaster Unit Two of the Atlantic fleet of the U. S. Navy, according to word received from the Ninth Naval District, Great Lakes, Ill. Naugle, who attended Biglerville high school and was employed by Knouse Foods before entering the navy August 4, 1948, received his recruit training at the U. S. Naval training Center at Great Lakes.

Fractures Skull On Bermuda Honeymoon; In Hospital There

Mrs. Elizabeth Ann Bair, daughter of Mr. and Mrs. Walter J. Lott, of Gardners, whose marriage to John Criley Bair, of Findlay, Ohio, and Swarthmore, Pa., took place last Saturday afternoon in the Church of the Abiding Presence here, is in a hospital in Hamilton, Bermuda, suffering from a fracture of the skull sustained when she fell from a bicycle while honeymooning in Bermuda, according to an Associated Press dispatch today.

Mr. and Mrs. Bair arrived in Bermuda on Monday. Mrs. Bair fell and struck her head on the highway while cycling to a beach.

Bair, a corporal in the Marine corps, is the son of Mr. and Mrs. Robert T. Bair, of Swarthmore. He has received orders to report for active duty October 13.

Mrs. Bair is a graduate of Biglerville high school and Gettysburg college. She is a past president of the Women's Student Government at the college. Bair also graduated from Gettysburg college, and was president of the Interfraternity Council.

HARTMAN SEES BUILDING UP OF PEST IMMUNITY

The possibility that Adams county fruit insects are developing a capacity for survival against poisons used against them was raised by County Agent M. T. Hartman in his monthly report made Thursday evening at the regular meeting of the County Agricultural Extension association's executive committee.

Hartman told the group, gathered at the Adams Electric Cooperative offices on North Stratton street, that the past growing season has proved unusual in that spray schedules which previously wiped out the insect problems did not prove, in some instances, as effective this year as in the past.

He raised the question of whether the wet spring and summer may have caused the appearance of some worms in apples by washing off spray materials faster than they could be applied by the growers, and also raised the question of whether some of the materials, in their manufacture, may have been deficient in potency.

The executive committee discussed the possibility of holding the annual meeting of the county agricultural extension association between Christmas and New Year's this winter, with an all-day instead of a night program.

Report On Roundup

Assistant County Agent Ira N. Dummire reported on the recent swine club roundup and he and Miss Mary Jane Mickey, county home economics extension representative, discussed the recent 4-H roundup held as part of the South Mountain Fair. They told the committee that the Danish system of judging was used this year, which permits giving of first places to as many exhibits as warrant the blue ribbon.

Dummire also noted the development of freak tomatoes in one field where 2-4-D put on another field nearby was blown by the wind into the tomatoes. The results included odd-shaped tomatoes and damage to the leaves of the tomato plants.

Hartman urged the committee members to carry this message to as many farmers as possible—that planting wheat before the first killing frost is an invitation to a bad crop.

Warns Wheat Growers

The Hessian fly is active still, Hartman noted, and wheat planted before the frost kills off the flies usually is afflicted with the blight spread by the fly.

Miss Mickey noted that 84.5 per cent of the youngsters in 4-H work this past summer completed their work, adding that the figure for completions was the highest in years.

She also reported that a meeting of the adult leaders leading to organization of the adult home economics clubs will be held October 17.

Harry E. Brown, Fairfield, president of the extension association, presided at the meeting. The next session will be held November 21, at 7:30 p.m., in the Adams Electric offices.

Five Girl Scouts Will Be On Radio

Five girls representing five Girl Scout troops of Adams county will be interviewed on the teenage program over WGET, Saturday at 4 p.m.

The girls who will talk about the activities of their troops are: Susan Lighter, Troop 6; Nancy Lighter, Troop 29; Peggy Norman, Troop 4; Gwendolyn Freed, Troop 17, New Oxford, and Mary Seibert, Troop 34, Cashtown.

It is expected that other Girl Scouts from other troops will be heard on scout aims and interests on future broadcasts.

10,000 Reds Battle U.S. Marines For Seoul City

By LEIF ERICKSON

Tokyo, Sept. 22 (AP)—Allied Marines battled 10,000 Korean Reds for Seoul today with bayonets and close-range gunfire on the capital's outskirts.

Bitter hand-to-hand combat raged on two sides of the city as other Allied forces punched out two 20-mile advances from the new and old beachheads to block Red reinforcements for Seoul.

CONGRESS TRIES TO RECESS BY SATURDAY NIGHT

Washington, Sept. 21 (P) — Congress trained its sights today on a recess by Saturday night until after Thanksgiving day—and the November elections.

Democratic and Republican leaders agreed to close up shop until Nov. 27 as soon as a few remaining "must" measures have been acted upon and President Truman signs or vetoes the Communist control bill the lawmakers sent to the White House last night.

Backers of that measure are confident of enough votes to override a veto, if one comes, and they are determined not to budge from town until the bill becomes law.

Wide Margins
Senate passage of the bill by a vote of 51 to 7 came several hours after the House approved it, 312 to 20. In both cases the margin was

far wider than the two-thirds majority required to nullify a presidential dissent.
Senate Democratic leader Lucas of Illinois told reporters he expects Mr. Truman to act swiftly on the bill to clear the way for recess Saturday.
Still on the docket is this major business:
1. The \$4,700,000,000 tax increase bill. Senate-House conferees approved a compromise version yesterday and the two branches of Congress are expected to ratify it and send it to the President by tomorrow night. Mr. Truman's approval is taken for granted.
2. The \$17,000,000,000 emergency defense bill carrying funds to build up America's might and help arm her allies against Communist aggression.

Waste piles around gold mines of the "Rand" in South Africa have been estimated at 1,000,000,000 tons in weight.

Class Has Meeting At Emory Sell Home

The Loyal Sons and Daughters church school class of Zwingle Evangelical and Reformed church, East Berlin, held its monthly meeting Tuesday evening at the home of Mr. and Mrs. Emory Sell, Jr., West King street, with the vice president, Charles Fahs, in charge. Rev. Alton M. Leister, minister, conducted the devotional period, and the vice president conducted the business session following. Games were played with Sherman Krall and Emory Sell, Jr., in charge. The host and hostess served refreshments at the close of the evening's meeting.

A special change in the worship schedule Sunday at Mt. Olivet Evangelical and Reformed church near Bermudian was announced by the minister, Rev. Leister. The preparatory service will be conducted at 9:15 a.m., instead of the time previously announced. Church school will be held at 10:15 a.m., and Holy Communion will be served on Sunday, October 1, at 7:30 p.m.

The Women's guild of Mt. Olivet Evangelical and Reformed church near Bermudian will hold its September meeting Sunday afternoon

STEWARTSTOWN PLAYS AT Y.S. IN LOOP GAME

The York Springs high school griders will go after their initial win on Saturday against Stewartstown in a Laurel conference game as they attempt to bounce back from a humiliating 30 to 0 drubbing by Duncannon last Saturday afternoon. The game will be played at York Springs at 8 o'clock under portable lights.

Coch John Hubley and his assistant, Pete Kemper, have little reason to be jubilant. Last week's contest pointed out many weaknesses in the club's offense and defense. On the offense fumbles and pass interceptions took place frequently. On the defense an effective passing barrier was lacking as was resistance to plays around the ends. These troubles stem from inexperience.

But that isn't all that the coaches have to worry about. Injuries are plaguing this aggregation. Harbold, first string fullback, received a knee injury in last week's game. Another backfield starter, Keefe, left halfback, has not been able to practice because of an infected arm. Taylor, who started at center last week, is in bed with a high temperature. It is possible that Harbold and Keefe may see action against Stewartstown.

With Taylor missing from the center slot Coach Hubley must shift Runkle, who started last week at right guard, to center while Smith moves into the guard position vacated by Runkle.

Emphasis in the practice sessions is being placed on pass defense and improved tackling defensively and on a greater offensive punch, with special attention given to passing.

Coach Hubley is anticipating a stiff encounter. While Stewartstown is only in its second year of football it lost few players last year and was shaping up as well as the season ended. They have one disadvantage; they are playing their first contest while York Springs already has one under the belt and should be sharper.

Except for the two necessary changes in the line the probable starting line-up will be the same provided Harbold and Keefe are set for action. The line-up will be: Left end, Wishard; left tackle, Lehman; left guard, King; center, Runkle; right guard, Smith; right tackle, Lott; right end, Tanger; quarterback, E. Quise; left halfback, Kennedy; right halfback, Keefe; and fullback, Harbold.

Western Maryland Wins Safety Award

The Western Maryland railway has been awarded the E. H. Harriman Memorial gold medal for its excellent safety performance during the year 1949. This is the fifth time in nine years that the road has captured national safety honors.

President Eugene S. Williams received this top prize in railroad safety at the Annual Dinner of the American Museum of Safety, held at the Ambassador hotel in New York on Wednesday evening.

In announcing the award, the American Museum of Safety said, "This Gold Medal bears eloquent testimony to the high operating efficiency which the Western Maryland has consistently maintained over a long period of years."

New York, Sept. 22 (AP) — The big three foreign and defense ministers convened today to discuss formation of an integrated North Atlantic defense force against possible Russian aggression.

Harrisburg, Sept. 22 (AP) — A home rule bill with only two changes from legislation which died in the state Senate in 1949 will head for the new general assembly in January.

The new bill to be presented to the 1951 legislature was outlined yesterday by Leonard P. Fox, secretary of the Pennsylvania Chamber of Commerce, at a panel session on third class city government sponsored by the chamber.

A proposal to allow third class cities to vote on a manager form of government has cropped up in a number of legislature sessions.

Fox said the new proposed bill would differ from that presented to the 1949 legislature virtually on these points alone: Permitting the voters, not city council, to elect the mayor, and permitting the voters to pick the city controller instead of having him appointed by city council.

The last bill, passed by the House but killed in the Senate committee, called for referendum in Pennsylvania's 47 third class cities on whether they want the city manager form of government.

If the voters approved, city council would have had the power to appoint a city manager with full administrative powers. The manager, under terms of the bill, could have been fired only for cause and after a public hearing. The bill would reduce the mayor to virtually a ceremonial figure.

ASKS LIND TO SAVE HUSBAND

York, Pa., Sept. 22 (AP) — An army lieutenant's wife said today she was petitioned President Truman to set aside a court martial death sentence imposed on her husband for disobeying battle orders in Korea. The nature of the orders was not disclosed.

Mrs. Kay Gilbert, mother of two and expecting a third child, turned her appeal over to Rep. James F. Lind (D-Pa.). The Gilberts are negroes. Mrs. Gilbert returned from Japan after the start of the Korean war.

She quoted an August 5 letter from her husband, First Lieutenant Leon A. Gilbert, 32, attached to the 25th Division, as saying: "I am now under arrest for not carrying out an order which would have led me and 12 other men to certain death. I am in the most serious trouble that a man in Korea or any place for that matter may be in. . . . If it would not have been for you and the children, I would have gone willingly but a man seems to place his family above all in these matters."

"I was wondering how you would do without me and how you would support the kids and knowing you are with child, the situation became out of control and I made the decision that may cost me my freedom for years."

In a later letter, Lieut. Gilbert told his wife he had been sentenced to death Sept. 6 and would be executed within a month.

"Go to the President himself," Gilbert urged his wife, adding: "This is really the worst that could happen, so please do everything in any one's power to at least get my sentence cut down."

Mrs. Gilbert contacted two York attorneys. They appealed to Rep. Lind. Lind went to the White House. He also consulted with Defense Department officials at the Pentagon.

Car Skids On Wet Road And Crashes

Wet roads contributed to a collision this morning about 10 o'clock on the Littlestown road a quarter mile south of town in which damage totaled about \$130, but no one was injured.

As Herman A. McIntyre, 38, Gettysburg R. 2, drove south near the Evergreen cemetery entrance he applied his brakes and skidded across the road and into a northbound auto operated by Kathryn E. Noll, 34, Philadelphia. Damage to McIntyre's car amounted to about \$5 and that to the Philadelphia auto, \$125.

State police from Gettysburg are continuing their investigation of the accident.

None Injured When Truck, Car Collide

An automobile operated by Richard Rogers, 20, of Carlisle Baracks, Carlisle, Pa., and a truck owned by Motor Cargo, Inc., Baltimore, and driven by Joseph Boynton, 35, also of Baltimore, sideswiped on the Biglerville road four miles north of that community at 11:30 o'clock Thursday night, state police of the Gettysburg substation reported today.

Police said the car was traveling south and the truck was going north. The latter ran off the highway, through a guard rail fence and into a field. Damage to it was estimated at \$200, and damage to the automobile at \$95. Police said no one was injured. Investigation is being continued.

Phone Line Busy; Fire Levels Barn

Phoenixville, Pa., Sept. 22 (AP) — George Weaver, Jr., says he was unable to report a fire in his father's barn because the family's party-line telephone was busy.

Weaver said a tractor backfired in the barn yesterday, starting the blaze. When he was unable to telephone firemen, he drove a half mile to the Valley Forge General hospital and summoned hospital firemen as well as firefighters from Phoenixville.

The barn, 450 bales of hay and farm implements were destroyed, however, at a loss Weaver set at \$15,000.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Robert Lott, Aspers, announce the birth of a son at the Warner hospital this morning.

A son was born Thursday evening at the hospital to Mr. and Mrs. Jerry Snyder, Emmitsburg.

Daughters were born at the hospital Thursday to Mr. and Mrs. Merle Riley, 213 West Middle street, and Mr. and Mrs. George Redding, Gettysburg, R. 2.

DETROIT HOPES TO GAIN LEAD IN TILT TODAY

By RALPH RODEN

(Associated Press Sports Writer)
The Detroit Tigers go after undisputed possession of first place in the see-saw American league pennant struggle tonight while the New York Yankees and Boston Red Sox are idle.

Detroit takes on the tough Indians in Cleveland in the first of a three game series while the Yanks and Red Sox mark time before opening a two game series at Yankee stadium tomorrow.

The Tigers tied the Yanks for the lead yesterday by trouncing the Philadelphia Athletics, 8-2. The Red Sox and the Yanks were not scheduled.

Here's the picture at a glance:
W. L. Pct. G.R. G.L.
New York . . . 91 53 .632 . . 10
Detroit . . . 91 53 .632 . . 10
Boston . . . 89 55 .618 2 10

Hal Newhouser, 29-year-old left-hander, has been selected to pitch for the Tigers against the Indians' Bob Feller. Both boast identical 14-11 records.

Newhouser has beaten the Indians four times and lost to them twice. Both of his defeats came at Cleveland. Feller holds a 2-1 card against the Tigers.

Yanks, Boston Idle
Meanwhile, Yank Manager Casey Stengel has a pitching problem to solve. His team will work out at the stadium today and two of his aces, righthander Vic Raschi and lefthander Ed Lopat, will try out their ailing arms.

An injury-plagued pitching staff hindered the Athletics in their game with the Tigers yesterday.

The Tigers jumped on Joe Coleman, who has had arm trouble, for six runs in the first six innings and were never headed. Coleman, who walked nine, lingered six innings. The A's have only nine pitchers, including three rookies.

The game was the only one scheduled in the American league.

In the National, the Boston Braves defeated the St. Louis Cardinals, 5-0, and the Brooklyn Dodgers thumped the Pittsburgh Pirates, 10-8, to remain tied for second place. They trail the league-leading Philadelphia Phillies by seven games. The Phils and Chicago Cubs were idle.

Spahn Wins 21st

Warren Spahn blanked the Cards on two hits to rack up his 21st victory. The Braves sewed things up in the first inning when Sam Jethroe crashed his 17th home run with a man on base.

The Dodgers overcame a 4-1 deficit with four runs in the fourth inning and followed up with five more in the fifth to clinch the decision over the Pirates.

In the only other game, the Cincinnati Reds defeated the New York Giants, 8-5. The Reds piled up a 7-1 lead in four innings for Howie Fox. Fox blew up in the eighth and granted four runs before Frank Smith came on to save the game.

GREEN SPRINGS NINE TO PLAY HERE SUNDAY

The opening game in the final series for the playoff championship of the Adams County Baseball league will be staged between New Oxford and Hanover on the New Oxford field Saturday afternoon at 2:30 o'clock.

New Oxford won the regular season title and eliminated Fairfield in the playoffs. Hanover gained the finals by disposing of the Conewago VFW.

Gettysburg's fourth-place team of the South Penn league will be host to Green Springs in the second of their semi-final series Sunday at 2 p.m., on the local field. Green Springs won the opener last week 7-2. Hunterstown, who defeated the season champs, Greenmount, in two straight, will be idle.

Only one game is also scheduled in the Penn-Adams circuit, Wrensville playing at Bendersville at 2 o'clock. Wrensville won the first game last Sunday. Fairfield, season titlists, will be idle, having gained the finals by defeating Cashtown twice.

The deciding semi-final series games will be played in the Penn-Maryland league. Emmitsburg will play at Harney and Wakefield meets Middleburg. Each team has won one game.

In the Pen-Mar circuit Emmitsburg will play at Hanover in the second game of their series. Hanover won last week's tilt 4-3. McSherrytown, league champion, gained the finals by defeating Blue Ridge Summit in two straight.

Phils Not Accepting More Series Requests

Philadelphia, Sept. 22 (AP) — The Philadelphia Phils are not accepting any more requests for World Series tickets—they've more than they can handle already.

Phil President Robert R. M. Carpenter, Jr., said no applications would be accepted postmarked later than midnight last night.

The series opens in the National league park October 4.

The league leading Phils began accepting applications at midnight Tuesday. Carpenter estimated that if the series went the full seven games the Phils could accommodate 92,000—23,000 for each of the potential four games scheduled in the National league park—in addition to club, league and other officials.

The club received over 100,000 applications in 24 hours.

KELLY HONORED AT SOUTH PENN LOOP MEETING

J. MacLay Kelly, Mechanicsburg high school, was presented a wrist watch for his many years service to the Southern Pennsylvania Interscholastic conference at the annual fall meeting of the group at Hotel Gettysburg, Thursday evening.

Kelly, who served as secretary-treasurer for many years, ended his tenure of office at the spring meeting this year. Prof. Guile W. Lefever, Gettysburg, made the presentation and called Kelly, "a friend, gentleman and good citizen."

Football schedules for 1952 were approved, and a roster of officials was approved. Dues for the year, 1950-51, were set at \$8. The same as the past year.

A committee of Mr. Lefever, Gettysburg, and Allan Gray, Hanover, was formed to study the feasibility of permanent meeting dates of the group. Paul E. Shull, Waynesboro, president, appointed a committee of Mark Burkhardt, Carlisle, and Mr. Kelly, Mechanicsburg, to study the problem of 16-year-olds, who are prohibited from participating in sports with either the junior high or high school teams. It was suggested to the committee that 16-year-olds when only in eighth grade, should be permitted to play with the high school. The committee was directed to bring a copy of the resolution which will be sent to the district meeting.

A financial report on the track meet held at Hanover on May 12 showed a profit of \$47.23, and the present balance of the group is \$38.03.

The next meeting was set for Wednesday, November 29.

Changes in coaching and administrative personnel were announced and the newcomers introduced. The meeting was attended by 49 persons.

Bucknell Seeks Revenge Over Bullets At Lewisburg Saturday

A big send-off for the Gettysburg college football squad is planned by the college students for Saturday afternoon at 1 o'clock when the Bullets leave for Lewisburg to open their 1950 campaign with Bucknell under the lights at 8:30 o'clock in the Bisons' Memorial stadium.

Following the send-off hundreds of students, in addition to the college band, will commence to wend their way to Lewisburg for the contest which promises to draw the biggest opening game attendance in a decade at Bucknell.

Reserved seat sales have been high both at Lewisburg and Gettysburg. The horseshoe Bucknell stadium seats approximately 17,000 fans.

Although the Bullets have been rated as the underdog for the contest, the spirit of the local squad is high and they are hopeful of making it four-in-a-row over the Thundering Herd. Bucknell has an overall margin in the series, 22-10.

"Must" For Bisons
Saturday night's contest looms as a bitter battle the whole way. Bucknell has openly admitted the Gettysburg tilt is a "must" on their program after three straight setbacks by an underdog Bullet team. Last year the Bisons dropped but two games, both by one point, one of which was the 34-33 setback here at the hands of the Bream-men.

Coach "Hen" Bream said today his squad is in fine physical condition for the game. After several weeks of two drills daily, a single practice was held Thursday with another single listed for today. On Wednesday evening the Bullets worked out under the lights on the Gettysburg high school field.

Bucknell will pack a great weight advantage against the Bullets but the Orange and Blue boys are striving to make up for this with a group of speedy ball carriers and front line men.

Lineup To Vary
If the bullets take the offense on the kickoff they will probably lineup like this: Ends, Gene Coder and Don Emert; tackles, Bob Harley and John Hershberger; guards, Jim Lentz and John Harford; center, Phil Dolson; quarterback, Bobby Bitner; halfbacks, Don Young and Dwight Speaker, and fullback, Jack Jones.

Several changes will be made if the Bullets are on the defense. Bill Keetley will replace Hurley at tackle; Bill Ewing will supplant Harford at guard; Joe Kassouf will replace

BISONS CHOSEN OVER BULLETS; OTHER CHOICES

By ORLO ROBERTSON

Philadelphia, Sept. 22 (AP) — This is to let all concerned know the 1950 college football season in Pennsylvania picks up steam this week-end with nearly a score of games on tap.

As in the past years we'll attempt to give you the winners each week. For the opening forecast the dusty crystal ball has been taken from the storage cabinet with the hopes it'll operate more efficiently than last fall.

The No. 1 game on the week's schedule is the Fordham-Lafayette clash at Easton, Pa. The Rams of Fordham have been gradually getting better since returning to the gridiron after the war. Lafayette has a fine-looking back in Gordon Fleming but we'll string along with Fordham.

Duquesne at Villanova — Coach Jim Leonard lost more of the team that dropped only one game at Villanova last season but the Wildcats still have more than enough to make their home-coming game a success. Villanova.

Gettysburg at Bucknell — Both teams were riddled by graduation. Gettysburg's Bullets upset the Bison of Bucknell last year. But, strictly on a hunch, we'll pick Bucknell by a narrow margin.

Favors Delaware

Delaware-Lehigh — Lehigh deep in backfield material and low on line reserves meets a Blue Hen team pretty much in the same condition. It's seldom that one of Bill Murray's teams loses an opener. On that basis we'll string along with Delaware.

Lebanon Valley-Franklin and Marshall — going back to last year, we'll call this one for Lebanon Valley.

St. Vincent-Geneva — Should be a romp for St. Vincent, unbeaten last year and good enough to tie Duquesne last week.

Skippling across the gridiron for the others:

Temple over Albright (Friday night); West Chester over Penn Military college (Friday night); Bloomsburg over Mansfield; Indiana over Kutztown; Lock Haven over West Liberty; Moravian over Wagner; Louisville over St. Francis; Susquehanna over Lycoming; Westminster over Slippery Rock; California over Edinboro; Shippensburg over Mt. St. Marys and Kings over Hartwick.

Eastern League

(By The Associated Press)

The Binghamton Triplets claimed a sort of victory today, even though rain washed out their scheduled opening game last night against Wilkes-Barre in the finals of the Eastern league playoff.

Bill Rodgers, Trips outfielder, won a decision yesterday from the Pennsylvania State Unemployment Compensation board that a professional ball player is entitled to job.

Antonik and Bob Dellabaugh; guards, Ray Reider, Jim Spangler and Sanders; centers, Howard Pettit and Don Boughter, and backs, Bob McCoy and Joe Day.

The game will be broadcast by Gettysburg's radio station, WGET.

less benefits in the off-season.
Rodgers worked for a Harrisburg, Pa., steel firm before joining the Triplets in New York state in June, 1949. The board found that he had been unable to get his steel job back or obtain other employment after the baseball season.

Rodgers' contract with Binghamton gave him \$500 a month in the 1949 playing season. The maximum for jobless benefits in Pennsylvania is \$25 a week for 24 weeks.

Back to the ball game—rain was forecast for Eastern Pennsylvania again today.

Tom Morgan is slated to start tonight on the mound for Binghamton at Wilkes-Barre, and Sam Jones for the pennant-winners. Morgan has hurled four wins over Wilkes-Barre, against two losses.

Boston 89 55 .618 .. 10
Hal Newhouse, 29-year-old left-hander, has been selected to pitch for the Tigers against the Indians' Bob Feller. Both boast identical 14-11 records.

Newhouse has beaten the Indians four times and lost to them twice. Both of his defeats came at Cleveland. Feller holds a 2-1 card against the Tigers.

Yanks, Boston Idle
Meanwhile, Yank Manager Casey Stengel has a pitching problem to solve. His team will work out at the stadium today and of two his ace, righthander Vic Raschi and left-hander Ed Lopat, will try out their ailing arms.

An injury-plagued pitching staff hindered the Athletics in their game with the Tigers yesterday.

In the only other game, the Cincinnati Reds defeated the New York Giants, 8-5. The Reds piled up a 7-1 lead in four innings for Howie Fox. Fox blew up in the eighth and granted four runs before Frank Smith came on to save the game.

GREEN SPRINGS NINE TO PLAY HERE SUNDAY

The opening game in the final series for the playoff championship of the Adams County Baseball league will be staged between New Oxford and Hanover on the New Oxford field Saturday afternoon at 2:30 o'clock.

New Oxford won the regular season title and eliminated Fairfield in the playoffs. Hanover gained the finals by disposing of the Conewago VFW.

Gettysburg's fourth-place team of the South Penn league will be host to Green Springs in the second of their semi-final series Sunday at 2 p.m., on the local field. Green Springs won the opener last week 7-2. Hunterstown, who defeated the season champs, Greenmount, in two straight, will be idle.

Only one game is also scheduled in the Penn-Adams circuit, Wenksville playing at Bendersville at 2 o'clock. Wenksville won the first game last Sunday. Fairfield, season titlists, will be idle, having gained the finals by defeating Cashtown twice.

The deciding semi-final series games will be played in the Penn-Maryland league. Emmitsburg will play at Harney and Wakefield meets Middleburg. Each team has won one game.

In the Pen-Mar circuit Emmitsburg will play at Hanover in the second game of their series. Hanover won last week's tilt 4-3. McSherrystown, league champion, gained the finals by defeating Blue Ridge Summit in two straight.

Phils Not Accepting More Series Requests

Philadelphia, Sept. 22 (AP) — The Philadelphia Phils are not accepting any more requests for World Series tickets—they've more than they can handle already.

Phil President Robert R. M. Carpenter, Jr., said no applications would be accepted postmarked later than midnight last night.

The series opens in the National league park October 4.

The league leading Phils began accepting applications at midnight Tuesday. Carpenter estimated that if the series went the full seven games the Phils could accommodate 92,000—23,000 for each of the potential four games scheduled in the National league park—in addition to club, league and other officials.

The club received over 100,000 applications in 24 hours.

KELLY HONORED AT SOUTH PENN LOOP MEETING

J. Maclay Kelly, Mechanicsburg high school, was presented a wrist watch for his many years service to the Southern Pennsylvania Interscholastic conference at the annual fall meeting of the group at Hotel Gettysburg, Thursday evening.

Kelly, who served as secretary-treasurer for many years, ended his tenure of office at the spring meeting this year. Prof. Guile W. Lefever, Gettysburg, made the presentation and called Kelly, "a friend, gentleman and good citizen."

Football schedules for 1952 were approved, and a roster of officials was approved. Dues for the year, 1950-51, were set at \$8, the same as the past year.

A committee of Mr. Lefever, Gettysburg, and Allan Gray, Hanover, was formed to study the feasibility of permanent meeting dates of the group. Paul E. Shull, Waynesboro, president, appointed a committee of Mark Burkhardt, Carlisle, and Mr. Kelly, Mechanicsburg, to study the problem of 16-year-olds, who are prohibited from participating in sports with either the junior high or high school teams. It was suggested to the committee that 16-year-olds when only in eighth grade, should be permitted to play with the high school. The committee was directed to bring a copy of the resolution which will be sent to the district meeting.

A financial report on the track meet held at Hanover on May 12 showed a profit of \$47.23, and the present balance of the group is \$38.03.

The next meeting was set for Wednesday, November 29.

Changes in coaching and administrative personnel were announced and the newcomers introduced. The meeting was attended by 49 persons.

Bucknell Seeks Revenge Over Bullets At Lewisburg Saturday

A big send-off for the Gettysburg college football squad is planned by the college students for Saturday afternoon at 1 o'clock when the Bullets leave for Lewisburg to open their 1950 campaign with Bucknell under the lights at 8:30 o'clock in the Bisons' Memorial stadium.

Following the send-off hundreds of students, in addition to the college band, will commence to welcome their way to Lewisburg for the contest which promises to draw the biggest opening game attendance in a decade at Bucknell.

Reserved seat sales have been high both at Lewisburg and Gettysburg. The horseshoe Bucknell stadium seats approximately 17,000 fans.

Although the Bullets have been rated as the underdog for the contest, the spirit of the local squad is high and they are hopeful of making it four-in-a-row over the Thundering Herd. Bucknell has an overall margin in the series, 22-10.

"Must" For Bisons

Saturday night's contest looms as a bitter battle the whole way. Bucknell has openly admitted the Gettysburg tilt is a "must" on their program after three straight setbacks by an underdog Bullet team. Last year the Bisons dropped both two games, both by one point, one of which was the 34-33 setback here at the hands of the Bream-men.

Coach "Hen" Bream said today his squad is in fine physical condition for the game. After several weeks of two drills daily, a single practice was held Thursday with another single listed for today. On Wednesday evening the Bullets worked out under the lights on the Gettysburg high school field.

Bucknell will pack a great weight advantage against the Bullets but the Orange and Blue boys are striving to make up for this with a group of speedy ball carriers and front line men.

Lineup To Vary

If the bullets take the offense on the kickoff they will probably line-up like this: Ends, Gene Coder and Don Emert; tackles, Bob Harley and John Hershberger; guards, Jim Lentz and John Harford; center, Phil Dolson; quarterback, Bobby Bitner; halfbacks, Don Young and Dwight Speaker, and fullback, Jack Jones.

Several changes will be made if the Bullets are on the defense. Bill Keetley will replace Hurley at tackle; Bill Ewing will supplant Harford at guard; Joe Kassouf will replace

BISONS CHOSEN OVER BULLETS; OTHER CHOICES

By ORLO ROBERTSON

Philadelphia, Sept. 22 (AP) — This is to let all concerned know the 1950 college football season in Pennsylvania picks up steam this week-end with nearly a score of games on tap.

As in the past years we'll attempt to give you the winners each week. For the opening forecast the dusty crystal ball has been taken from the storage cabinet with the hope: it'll operate more efficiently than last fall.

The No. 1 game on the week's schedule is the Fordham-Lafayette clash at Easton, Pa. The Rams of Fordham have been gradually getting better since returning to the gridiron after the war. Lafayette has a fine-looking back in Gordon Fleming but we'll string along with Fordham.

Duquesne at Villanova — Coach Jim Leonard lost more of the team that dropped only one game at Villanova last season but the Wildcats still have more than enough to make their home-coming game a success. Villanova.

Gettysburg at Bucknell — Both teams were riddled by graduation. Gettysburg's Bullets upset the Bison of Bucknell last year. But, strictly on a hunch, we'll pick Bucknell by a narrow margin.

Favors Delaware
Delaware-Lehigh — Lehigh deep in backfield material and low on line reserves meets a Blue Hen team pretty much in the same condition. It's seldom that one of Bill Murray's teams loses an opener. On that basis we'll string along with Delaware.

Lebanon Valley-Franklin and Marshall — going back to last year, we'll call this one for Lebanon Valley.

St. Vincent-Geneva — Should be a romp for St. Vincent, unbeaten last year and good enough to tie Duquesne last week.

Skipping across the gridiron for the others:
Temple over Albright (Friday night); West Chester over Penn Military college (Friday night); Bloomsburg over Mansfield; Indiana over Kutztown; Lock Haven over West Liberty; Moravian over Wagner; Louisville over St. Francis; Susquehanna over Lycoming; Westminster over Slippery Rock; California over Edinboro; Shippensburg over Mt. St. Marys and Kings over Hartwick.

Eastern League

(By The Associated Press)

The Binghamton Triplets claimed a sort of victory today, even though rain washed out their scheduled opening game last night against Wilkes-Barre in the finals of the Eastern league playoff.

Bill Rodgers, Trips outfielder, won a decision yesterday from the Pennsylvania State Unemployment Compensation board that a professional ball player is entitled to job.

Antonik and Bob Dellabaugh; guards, Ray Reider, Jim Spangler and Sanders; centers, Howard Pettit and Don Boughter, and backs, Bob McCoy and Joe Day.

The game will be broadcast by Gettysburg's radio station, WGOT.

less benefits in the off-season.

Rodgers worked for a Harrisburg, Pa., steel firm before joining the Triplets in New York state in June, 1949. The board found that he had been unable to get his steel job back or obtain other employment after the baseball season.

Rodgers' contract with Binghamton gave him \$500 a month in the 1949 playing season. The maximum for jobless benefits in Pennsylvania is \$25 a week for 24 weeks.

Back to the ball game—rain was forecast for Eastern Pennsylvania again today.

Tom Morgan is slated to start tonight on the mound for Binghamton at Wilkes-Barre, and Sam Jones for the pennant-winners. Morgan has hurled four wins over Wilkes-Barre, against two losses.

STEWARTSTOWN PLAYS AT Y.S. IN LOOP GAME

The York Springs high school griders will go after their initial win on Saturday against Stewartstown in a Laurel conference game as they attempt to bounce back from a humiliating 30 to 0 drubbing by Duncannon last Saturday afternoon. The game will be played at York Springs at 8 o'clock under portable lights.

Coch John Hubley and his assistant, Pete Kemper, have little reason to be jubilant. Last week's contest pointed out many weaknesses in the club's offense and defense. On the offense fumbles and pass interceptions took place frequently. On the defense an effective passing barrier was lacking as was resistance to plays around the ends. These troubles stem from inexperience.

But that isn't all that the coaches have to worry about. Injuries are plaguing this aggregation. Harbold, first string fullback, received a knee injury in last week's game. Another backfield starter, Keefe, left halfback, has not been able to practice because of an infected arm. Taylor, who started at center last week, is in bed with a high temperature. It is possible that Harbold and Keefe may see action against Stewartstown.

With Taylor missing from the center slot Coach Hubley must shift Runkle, who started last week at right guard, to center while Smith moves into the guard position vacated by Runkle.

Emphasis in the practice sessions is being placed on pass defense and improved tackling defensively and on a greater offensive punch, with special attention given to passing.

Coach Hubley is anticipating a stiff encounter. While Stewartstown is only in its second year of football it lost few players last year and was shaping up as well as the season ended. They have one disadvantage; they are playing their first contest while York Springs already has one under the belt and should be sharper.

Except for the two necessary changes in the line the probable starting line-up will be the same provided Harbold and Keefe are set for action. The line-up will be: Left end, Wishard; left tackle, Lehman; left guard, King; center, Runkle; right guard, Smith; right tackle, Lott; right end, Tanager; quarterback, E. Guise; left halfback, Kennedy; right halfback, Keefe; and fullback, Harbold.

Today's Talk

By GEORGE MATTHEW ADAMS

By GEORGE MATTHEW ADAMS
BEST TIME TO WORRY

Worry is perhaps mankind's great-
est industry! But it is a wasteful
one, scattering its wreckage around
the globe and saturating the years
with its devastating work. There may
be times when a little worry may do
some good. I recall the incident of a
boy's serious illness, after an opera-
tion. A young doctor had done the
job, and all night he kept in touch
with his patient, and kept calling
up the hospital to know how he was
coming on. I remarked to the nurse
in charge about how Dr. X seemed
to worry about his patients, and she
replied: "Well, when I get ill I want
the doctor to worry about me!"

But mostly worry is bad news for
anyone. I got to thinking about
this and I thought if only we could
corner this worry, confine it so
that we might look at it squarely in
the face, and tell it what we thought
about it, we might give it a death
scare and be rid of it, as a nuisance
and annoyance.

So, here is the suggestion: Let all
worry be confined to a single hour
of the day—say at five o'clock in
the afternoon. The day's work is
then about over, and if these worries
of ours can be gone over then, and dis-
missed as foolish, and of no human
value, we can then enjoy a good din-
ner, and then with pleasant con-
versation, an hour or so at some
entertainment, or an evening with a
good book, life could take upon it-
self a new and happier cast!

The very worst time for worrying
is just before bedtime, and of course
during work. We should go to our
couch untroubled, with a relaxed
mind, and with cheerful thoughts
teeming through our mind. Then
there are sure to be those "pleasant
dreams" that people speak about so
often, but miss all too much.

I can detect no sign of worrying
on the part of birds that chirp out-
side my window, or note it in the
play and work of animals that I
observe. Worry is man's disease, or
occupation, let us call it, and a los-
ing one it is. It pays no profitable
dividends. One reason for the ex-
istence of a kindly and ever inter-
ested God is that each of us may
have a free and untroubled mind!

Tomorrow Mr. Adams will talk on
the subject: "God"

HARVEST TIME
Who walks an orchard through
can see
The work of nature done,
And all is as it ought to be
Beneath the morning sun.

Where all the springtime
blossoming
Made lovely every bough.
In perfect growth for harvesting
Are peach and apple now.

From bud to leaf, from flower
to fruit,
From springtime to the fall,
The trees the ways of men
refute
And seem to shame us all.

All things in nature serve the
plan
For them by God designed,
And strange it seems that only
Man
No way to peace can find.

ING FOR THE EXECUTION OF ALL
PAPERS AND INSTRUMENTS NECES-
SARY AND PROPER FOR SUCH PUR-
POSES; AND PROVIDING FOR THE RE-
PEAL OF EXISTING ORDINANCES IN-
CONSISTENT HEREWITH.

WHEREAS, by ordinance duly enacted
June 7, 1948, the Council of the Bor-
ough of Gettysburg, Adams County, Pen-
nsylvania, declared its intention to or-
ganize an Authority under the provisions
of the act of May 2, 1945, P. L. 352, known
as "Municipality Authorities Act of One
Thousand Nine Hundred and Forty-five,"
as amended, and provided in such ordinance
the form of Articles of Incorporation for
such Authority, and on June 18, 1948,
a Certificate of Incorporation was duly
issued to such Authority by the Sec-
retary of the Commonwealth of Penn-
sylvania and such Certificate has been duly
recorded in Adams County, Pennsylvania;
and such Authority was duly organized
under the name of "Gettysburg Municipal
Authority" hereinafter called "Author-
ity"; and

WHEREAS, by ordinance duly enacted
on June 7, 1948, the Council of said
Borough designated an additional project
to be undertaken by the Authority to
acquire, hold, construct, improve, main-
tain, operate, own, lease, either in the
capacity of lessor or lessee, sewers, sewer
system, or parts thereof, and sewage treat-
ment works, including works for the treat-
ment and disposing of industrial waste,
and incinerator plants, for the Borough
of Gettysburg and for such other terri-
tory as it may be authorized to serve; and

WHEREAS, said Authority has signified
its intention to acquire the sewer system,
sewer and being operated and main-
tained by the Borough of Gettysburg, and
has authorized the officers of the Au-
thority to execute any and all papers
and documents and to do and cause to
be done any and all acts and things
necessary and proper for the purpose of
carrying out such intention; and

WHEREAS, it is of great advantage
and benefit to the citizens of the Borough
that the existing sewer system be con-
veyed to the Authority on the aforesaid
terms and conditions; and

WHEREAS, said Authority proposes to
construct certain additions, extensions and
improvements to said sewer system there-
inafter called "sewer system" for use in
the Borough of Gettysburg, and for such
other territory as it may be authorized to
serve, and to operate the same for a
period of thirty (30) years; and

WHEREAS, the Authority will operate
the sewer system, and receive all revenues
shall be irrevocably pledged for the pay-
ment of the cost of the operation and
maintenance of the sewer system and to
the payment of the principal and interest
of the bonds to be issued as hereinafter
referred to and of expenses of the Au-
thority and of the trustee in connection
therewith; and

WHEREAS, it will be necessary for the
Authority to issue \$385,000, more or less,
principal amount of Authority bonds in
order to provide funds to pay the cost
of the proposed construction in connec-
tion with said sewer system and for pay-
ing the costs and expenses in connection
with the issuance of the bonds, and to
secure the same by an Indenture to a
corporate trustee, under the terms of which
the aforesaid revenues which the Au-
thority will receive shall be applied to
the payment of the principal of and
interest on the Authority's bonds, the
setting up of certain funds to secure the
same and of said expenses of the Authority
and of the Trustee;

NOW, THEREFORE, BE IT ORDAINED
AND ENACTED, by the Council of the
Borough of Gettysburg, Adams County,
Pennsylvania, and it is hereby ordained
and enacted by authority of the same,
that:

Section 1. The proposed action of Get-
tysburg Municipal Authority to acquire
the existing sewer system of the Bor-
ough hereby is approved.

Section 2. The proper officers of the
Borough be and they hereby are authorized
and empowered to execute and deliver
proper deeds of conveyance and a bill
of sale to said Authority, as grantee, con-
veying and delivering to said Authority
all of the Borough's right, title and in-
terest in and to the existing sewer sys-
tem and to any additions thereto prior
to the date of the actual conveyance and
delivery thereof.

Section 3. The proper officers of the
Borough hereby are authorized, em-
powered and directed on behalf of the
Borough of Gettysburg to execute and
deliver any and all papers and instru-
ments, and to do and cause to be done
any and all acts and things necessary
and proper for the purpose of carrying
out the provisions of this ordinance.

Section 4. All ordinances and parts of
ordinances inconsistent herewith be and
the same hereby are repealed.

Section 5. This ordinance shall become
effective immediately.

ENACTED by the Borough Council of
the Borough of Gettysburg, Adams County,
Pennsylvania, this 18th day of Sep-
tember, 1950.

I, M. OYLER,
President of Borough Council.

Attest:
ANNA R. DRACHA,
Secretary.

APPROVED the 18th day of September,

A Truly Wonderful Car!

If you were to sum up, in one word, the complete story of the new Pontiac, no
word would fit so precisely as "wonderful."
It's the most natural thing in the world to describe Pontiac's rare beauty
as "wonderful." No other word seems to quite do, either, for the luxurious
comfort and appointments in Pontiac's big new Bodies by Fisher.
And on the road, Pontiac just naturally accepts superlatives—because it
is such an eager car, such a relaxed, easy-striding performer—for such a
long, long time.
Perhaps the most "wonderful" thing of all is Pontiac's price—so low
that virtually nobody seriously challenges the idea that dollar for dollar you
can't beat a Pontiac!

Today's Talk
By GEORGE MATTHEW ADAMS

BEST TIME TO WORRY

Worry is perhaps mankind's greatest industry! But it is a wasteful one, scattering its wreckage around the globe and saturating the years with its devastating work. There may be times when a little worry may do some good. I recall the incident of a boy's serious illness, after an operation. A young doctor had done the job, and all might be kept in touch with his patient, and kept calling up the hospital to know how he was coming on. I remarked to the nurse in charge about how Dr. X seemed to worry about his patients, and she replied: "Well, when I get ill I want the doctor to worry about me!"

But mostly worry is bad news for anyone I got to thinking about this and I thought if only we could corner this worry, confine it so that we might look it squarely in the face, and tell it what we thought about it, we might give it a death scare and be rid of it, as a nuisance and annoyance.

So, here is the suggestion: Let all worry be confined to a single hour of the day—say at five o'clock in the afternoon. The day's work is then about over, and if these worries of ours can be gone over then, and dismissed as foolish, and of no human value, we can then enjoy a good dinner, and then with pleasant conversation, an hour or so at some entertainment, or an evening with a good book, life could take upon itself a new and happier cast!

The very worst time for worrying is just before bedtime, and of course during work. We should go to our couch untroubled, with a relaxed mind, and with cheerful thoughts teeming through our mind. Then there are sure to be those "pleasant dreams" that people speak about so often, but miss all too much.

I can detect no sign of worrying on the part of birds that chirp outside my window, or note it in the play and work of animals that I observe. Worry is man's disease, or occupation, let us call it, and a losing one it is. It pays no profitable dividends. One reason for the existence of a kindly and ever interested God is that each of us may have a free and untroubled mind!

Tomorrow Mr. Adams will talk on the subject: "God"

FIFTEEN YEARS AGO
Countians Married: Miss Delona M. Schell, daughter of Mr. and Mrs. Elmer Schell, Gettysburg R. 3, and Kenneth Robert Plank, son of Mr. and Mrs. William H. Plank, Harrisburg road were married Saturday morning at 11 o'clock at the Gettysburg church of the Brethren, by the Rev. W. G. Group, of East Berlin.

Mr. Plank is employed at the Reaser furniture factory.

After the wedding of their son Mr. and Mrs. Plank announced the secret marriage of their daughter, Miss Dorothy Mae Plank, and Glenn R. Trostle, son of Mr. and Mrs. Maurice Trostle, of Knoxlyn. The couple was married in Baltimore, August 14, by the Rev. Dr. Martin Luther Enders, pastor of the First Lutheran church.

Mr. Trostle assists his father on the farm.

Have Ringside Seats: Mr. and Mrs. Mares Sherman and Mr. and Mrs. David Weller left Sunday by automobile for New York city, where Messrs. Sherman and Weller will attend the Baer-Louis boxing show Tuesday evening. They have second-row ringside seats.

G. A. Miller Buys Tipton Property: George A. Miller, proprietor of the City market, announced the purchase of the former William H. Tipton property, 20 Chambersburg street, from the executors of the late war-time photographer's estate. Possession will be given November 1.

The building is now occupied by Earle's restaurant, Earle Buohl, proprietor.

Legion Elects Scarrist Head: Frank E. Scarrist was elected commander of the Albert J. Lentz American Legion post, 202, at a regular meeting Monday evening, succeeding William Timmins. Other officers elected were:

Roy Alexander, first vice commander; Lawrence Sheads, second vice commander; E. A. Moser, adjutant; George W. Boehner, finance officer; the Rev. Ludwig Mortensen, chaplain; Roy Mackley, sergeant-at-arms, and William Allison, historian.

Program For Coeds Starts: By action of the trustees early this year, Gettysburg college established a women's campus and became a co-educational institution. There are more than 60 women in the college.

Dr. Charles Huber is director of the newly created women's division of the college.

Hanson Talks At Opening Of College: In an address charging the students to maintain their individuality and to think for themselves, President Henry W. A. Hanson welcomed the largest student body in years at the formal opening of the one hundred and fourth session of Gettysburg college in Brua Chapel Thursday morning at 11 o'clock.

MacArthur To Aid Filipinos: Washington, Sept. 19 — Evidencing this government's concern in the future independence of the Philippine Islands, President Roosevelt Wednesday detailed General Douglas MacArthur as adviser on national defense to President-elect Manuel Quezon.

The present chief of staff of the United States army accepted the post, it was learned, because of a personal conviction that the future security and independence of the Philippines is vital to American interests in the Pacific and to maintenance of peace in the Far East.

Married At Frederick: D. Reno Eyler and Miss Marian Stonesifer, both of near Emmitsburg, were married Saturday evening in Frederick, Md., at the Evangelical Reformed church, by the Rev. L. G. Kieffer.

Just Folks
HARVEST TIME
Who walks an orchard through can see
The work of nature done,
And all is as it ought to be
Beneath the morning sun.

Where all the springtime blossoming
Made lovely every bough,
In perfect growth for harvesting
Are peach and apple now.

From bud to leaf, from flower to fruit,
From springtime to the fall,
The trees the ways of men refute
And seem to shame us all.

All things in nature serve the plan
For them by God designed,
And strange it seems that only Man
No way to peace can find.

LEGAL NOTICES

AN ORDINANCE
OF THE BOROUGH OF GETTYSBURG, ADAMS COUNTY, PENNSYLVANIA, APPROVING THE PROPOSED ACTION OF GETTYSBURG MUNICIPAL AUTHORITY TO ACQUIRE THE SEWER SYSTEM NOW OWNED BY THE BOROUGH OF GETTYSBURG, ADAMS COUNTY, PENNSYLVANIA, AND DELIVERY OF A PROPER DEED OR DEEDS AND BILL OF SALE THEREFOR; PROVIDING FOR THE EXECUTION OF ALL PAPERS AND INSTRUMENTS NECESSARY AND PROPER FOR SUCH PURPOSES; AND PROVIDING FOR THE REPEAL OF EXISTING ORDINANCES INCONSISTENT HEREWITH.

WHEREAS, by ordinance duly enacted June 7, 1943, the Council of the Borough of Gettysburg, Adams County, Pennsylvania, declared its intention to organize an Authority under the provisions of the act of May 2, 1945, P. L. 382, known as "Municipality Authorities Act of One Thousand Nine Hundred and Forty-five," as amended, and provided in such ordinance the form of Articles of Incorporation for such Authority, and on June 18, 1948, a Certificate of Incorporation was duly issued to such Authority by the Secretary of the Commonwealth of Pennsylvania, and such Certificate has been duly recorded in Adams County, Pennsylvania, and such Authority was duly organized under the name of "Gettysburg Municipal Authority" (hereinafter called "Authority"); and

WHEREAS, by ordinance duly enacted on June 5, 1950, the Council of said Borough designated an additional project to be undertaken by the Authority to acquire, hold, construct, improve, maintain, operate, own, lease, either in the capacity of lessor or lessee, sewers, sewer system, or parts thereof, and sewage treatment works, including works for the treatment and disposing of industrial waste, and incinerator plants, for the Borough of Gettysburg and for such other territory as it may be authorized to serve; and

WHEREAS, said Authority has signified its intention to acquire the sewer system, and has been operating and maintaining by the Borough of Gettysburg and has authorized the officers of the Authority to execute any and all papers and documents and to do and cause to be done any and all acts and things necessary and proper for the purpose of carrying out such intention; and

WHEREAS, it is of great advantage and benefit to the citizens of the Borough that the existing sewer system be conveyed to the Authority on the above-said terms, and condition; and

WHEREAS, said Authority proposes to construct certain additions, extensions and improvements to said sewer system (hereinafter called "sewer system") for use in the Borough of Gettysburg, and for such other territory as it may be authorized to serve, and to operate the same for a period of thirty (30) years; and

WHEREAS, the Authority will operate the sewer system, and receive all revenues to be derived therefrom, which revenues shall be irrevocably pledged for the payment of the cost of the operation and maintenance of the sewer system and to the payment of the principal and interest of the bonds to be issued as hereinafter referred to and expenses of the Authority and of the trustee in connection therewith; and

WHEREAS, it will be necessary for the Authority to issue \$185,000, more or less, principal amount of Authority bonds in order to provide funds to pay the cost of the proposed construction in connection with said sewer system and for payment of the cost and expenses in connection with the issuance of the bonds, and to secure the same by an Indenture to a corporate trustee, under the terms of which the aforementioned revenues, which the Authority will receive shall be applied to the payment of the principal of and interest on the Authority's bonds, the setting up of certain funds to secure the same and of said expenses of the Authority and of the Trustee;

NOW, THEREFORE, BE IT ORDAINED AND ENACTED by the Council of the Borough of Gettysburg, Adams County, Pennsylvania, and it is hereby ordained and enacted by authority of the same, that:

Section 1. The proposed action of Gettysburg Municipal Authority to acquire the existing sewer system of the Borough hereby is approved.

Section 2. The proper officers of the Borough be and they hereby are authorized and empowered to execute and deliver proper deeds of conveyance and a bill of sale to said Authority, as grantees, conveying and delivering to said Authority all of the Borough's right, title and interest in and to the existing sewer system and to any additions thereto prior to the date of the actual conveyance and delivery thereof.

Section 3. The proper officers of the Borough hereby are authorized, empowered and directed on behalf of the Borough of Gettysburg to execute and deliver any and all papers, and instruments, and to do and cause to be done any and all acts and things necessary and proper for the purpose of carrying out the provisions of this ordinance.

Section 4. All ordinances and parts of ordinances inconsistent herewith be and the same hereby are repealed.

Section 5. This ordinance shall become effective immediately.

The Most Beautiful Thing on Wheels

A Truly Wonderful Car!

If you were to sum up, in one word, the complete story of the new Pontiac, no word would fit so precisely as "wonderful."

It's the most natural thing in the world to describe Pontiac's rare beauty as "wonderful." No other word seems to quite do, either, for the luxurious comfort and appointments in Pontiac's big new Bodies by Fisher.

And on the road, Pontiac just naturally accepts superlatives—because it is such an eager car, such a relaxed, easy-striding performer—for such a long, long time.

Perhaps the most "wonderful" thing of all is Pontiac's price—so low that virtually nobody seriously challenges the idea that *dollar for dollar you can't beat a Pontiac!*

CIO STEELMEN ARE DEMANDING WAGE INCREASE

Pittsburgh, Sept. 22 (AP)—The CIO United Steelworkers served formal notice on the steel industry today it wants an almost immediate wage boost for its million members.

Formal notification letters to 1,400 firms went into the mails shortly after Philip Murray, president of the CIO and the steelworkers, came from a meeting of the steelworkers' executive board to announce the demands.

Murray didn't spell out in dollars and cents just what will satisfy the union. The veteran white-haired labor leader said he'd leave that up to the union's wage policy committee which has been summoned to meet here October 4 and 5.

Alcoa Gives Raise
In his formal notification letter to employers, Murray declared: "Obviously, the national interest requires that we conclude a mutually satisfactory agreement at the earliest possible date."

There was no immediate comment from leaders in the war-vital steel industry which is roaring toward new production records.

Announcement of the steelworkers' demands came only a few hours after the Aluminum Company of America offered its 45,000 employees a 10 per cent wage boost. The steelworkers represent about 20,000 of Alcoa's 30,000 production workers.

Murray said the union will seek a conference Monday with Alcoa officials. Tomorrow the offer will be reviewed by the USW at a meeting here with local union leaders in the Alcoa plants.

The Alcoa offer, coming on the heels of pay increases in the auto and other industries, obviously will strengthen Murray's hand in negotiations with the steel industry.

The steel contracts call for wage reopening November 1 of this year. However, Murray requested the industry to move up the date to October 9. He made it clear, however, the USW will live up to its contract terms if the industry isn't willing to concede.

Delaware, Ohio, Sept. 22 (AP)—The postponed \$56,000 "Little Brown Jug" was set to go today—unless the weatherman takes a hand again.

Heavy rain and a flooded track washed out the three-year-old racing classic yesterday. Fire hose was used to pump some of the standing water from the half-mile track at the county fairgrounds, and gasoline was on hand to help dry the oval should the showers cease. If more rain falls, the race will be held over to Saturday.

RADIO

New York, Sept. 22 (AP)—Network radio's football schedule will open Saturday afternoon with NBC and MBS broadcasting a single game, Oregon State vs. Michigan State at East Lansing, Mich.

Air time is set for 2:45 p.m. Bill Stern will talk for NBC and Al Helfer for an MBS hookup of stations not participating in the game-of-the-day baseball. Helfer, who is the regular baseball announcer, is turning that assignment over to his partner, Art Gleason on this occasion. NBC will interrupt its relay at 4 for its weekly sponsored horse racing.

The other radio networks, ABC and CBS, will not get football under way until a week later, the same date that the television circuits begin their college gridiron activities.

For tonight (Friday): NEC—8 Cloak and Dagger; 9 Dimension X, science fiction; 9:30 Jack LaRue Program; 10 Wanted, documentary.

CBS—7:15 Jack Smith Show; 8 Songs For Sale; 9 Up For Parole; 10 We Take Your Word, new time; 11:30 Warren R. Austin on "What Americans Can Do For Peace." ABC—7:30 Lone Ranger; 8:30 This Is FBI; 9 Ozzie and Harriet; 9:30 The Sheriff.

MBS—8 Bandstand USA; 8:30 Dance Time; 9:30 Vincent Lopez Show.

PAUL, THE EVANGELIST
Acts 26:9-20
Memory selection: I decided to know nothing among you except Jesus Christ and him crucified.

There is one outstanding characteristic of Paul—his singleness of purpose. This was the secret of his remarkable success as an evangelist.

After he met Christ on the Damascus Road he was completely transformed and his only aim in life was to preach Jesus Christ and him crucified. "For to me to live is Christ."

In one brief lesson it is difficult to cover the extent of Paul's influence on the heathen world. His letters, of which there are 13, were the

first Christian literature the world knew for they were written before the Gospels. Paul carried no Bible but a flame in his heart to kindle others.

Paul's message, whether written or oral, was always vigorous for he was a man of action dominated by a fervent desire to make the world Christian. He was the first of the Apostles to view the world as a community of nations, for "In Christ there is no East and West." Nothing deterred him—stonings, beatings, imprisonment, shipwreck, physical weaknesses only increased his determination. A willing messenger of God, he went where he was led or called.

Paul was ideally suited to carry Christ's gospel from Palestine into the Gentile world for he was a Hellenistic Jew by birth. His native city of Tarsus lay along the Mediterranean coast between Europe and Asia. Although he received the usual training of a Jewish lad and was taught the family trade of tentmaking, his education was not complete. He was sent to Jerusalem to study under a great teacher. Here he took what we might call his postgraduate work. Later he became a Pharisee, one who was strict and unbending.

Well versed in Greek language and culture, specially trained in Hebrew law and tradition Paul had enjoyed exceptional advantages. But

how did he first use them? By mercilessly pursuing and persecuting the Christians. He was present at the stoning of Stephen holding the coats of them who cast the fatal stones. What future torment that experience cost him!

A New Paul

That is the story of Paul as Jew, Pharisee and persecutor of Christianity. But soon the day came when the voice of the Master spoke to him, "Saul, Saul, why persecutest thou me?" From that time forth there developed a new Paul, a changed Paul, a Paul dedicated to a new and glorious task. For had not Christ Himself commissioned him (Please Turn to Page 10)

CIO STEELMEN ARE DEMANDING WAGE INCREASE

Pittsburgh, Sept. 22 (AP)—The CIO United Steelworkers served formal notice on the steel industry today it wants an almost immediate wage boost for its million members.

Formal notification letters to 1,400 firms went into the mails shortly after Philip Murray, president of the CIO and the steelworkers, came from a meeting of the steelworkers' executive board to announce the demands.

Murray didn't spell out in dollars and cents just what will satisfy the union. The veteran white-haired labor leader said he'd leave that up to the union's wage policy committee which has been summoned to meet here October 4 and 5.

Alcoa Gives Raise

In his formal notification letter to employers, Murray declared: "Obviously, the national interest requires that we conclude a mutually satisfactory agreement at the earliest possible date."

There was no immediate comment from leaders in the war-vital steel industry which is roaring toward new production records.

Announcement of the steelworkers' demands came only a few hours after the Aluminum Company of America offered its 45,000 employees a 10 per cent wage boost. The steelworkers represent about 20,000 of Alcoa's 30,000 production workers.

Murray said the union will seek a conference Monday with Alcoa officials. Tomorrow the offer will be reviewed by the USW at a meeting here with local union leaders in the Alcoa plants.

The Alcoa offer, coming on the heels of pay increases in the auto and other industries, obviously will strengthen Murray's hand in negotiations with the steel industry.

The steel contracts call for wage reopening November 1 of this year. However, Murray requested the industry to move up the date to October 9. He made it clear, however, the USW will live up to its contract terms if the industry isn't willing to concede.

Delaware, Ohio, Sept. 22 (AP)—The postponed \$56,000 "Little Brown Jug" was set to go today—unless the weatherman takes a hand again.

Heavy rain and a flooded track washed out the three-year-old pacing classic yesterday. Fire hose was used to pump some of the standing water from the half-mile track at the county fairgrounds, and gasoline was on hand to help dry the oval should the showers cease. If more rain falls, the race will be held over to Saturday.

News From Littlestown

BICYCLE SAFETY PROGRAM TO BE BACKED BY LIONS

The Littlestown Lions club made plans to sponsor a local bicycle safety program during the remainder of September and throughout October, in cooperation with the governor's Highway Safety committee's child safety program, at their semi-monthly meeting held Thursday evening at Banker's restaurant, Littlestown. President John R. Bloom conducted the business session. He gave a brief resume of the district presidents' and secretary's conferences which he and the secretary, Chester S. Byers, attended recently at the Allenberry inn.

A farewell gift was presented to Lion Elmer W. Gall, a teacher in the Littlestown Junior Senior high school, who will enter the armed forces next week.

Wilbur A. Banker spoke briefly concerning the Charter Night celebration which the Taneytown Lions club held last week at Basehart's restaurant and which several local Lions and their ladies attended. One guest, Frank Merriman, was present.

The program featured a full length movie in technicolor concerning the life of the gypsies. The club voted a contribution of \$10 to the fund which has been established to provide meals for the members of the Littlestown high school football squad following their out of town games.

The next meeting of the club will be held Thursday, October 5, in charge of the Education committee, which includes J. Donald Lemmon, Paul L. Hollinger and Ralph A. White. The Health and Welfare committee was in charge of Thursday night's program. Members of this committee were Erwin A. Rebert, Amos L. Spangler and George H. Dittlow.

We Have It!

The new "big economy size" insurance policy advertised this week in every daily paper in Pennsylvania by the Insurance Company of North America. Four kinds of insurance for the home-owner in one policy at a saving of 20%: Fire and extended coverage on the house and its contents; theft insurance; and liability insurance for accidents in the house, with medical payments coverage.

Rose-Ella Tot Shop Has Been Enlarged

Extensive alterations have been made at the Rose-Ella infant and tot shop, 28 West King street, Littlestown, operated by Miss Ella Barker. This store opened for business, October 29, 1949, in the front room of the Barker apartments. Increasing business demanded larger quarters. Recently a partition was taken out, which more than doubled the floor space. The rooms were redecorated in pink and blue. Wall cases were added and a large counter, equipped with drawers, was installed. These alterations will permit carrying a much larger stock and afford better displaying facilities.

The "Rose-Ella" carries boys' and girls' wearing apparel from infants to size 6x. Included in the stock is a full line of Playtex baby needs; Tam-O-Shanter polo shirts with socks to match; also corduroy shorts with longies to match. Polly Flinder hand-smocked dresses are carried at all times as well as a full line of Kate Greenaway dresses. For winter needs, there is a fine line of snow suits for boys and girls. The customer will also find a large variety of toys and gift items to take care of both the baby and the mother.

St. Mary's Church To Observe Rally Day

The annual Rally day program will be presented at 10 o'clock Sunday morning in St. Mary's Reformed church, Silver Run, in a combined Sunday school and church service. The following program has been announced: organ and piano duet, Gladys Ehrhart, organist, and Elizabeth Hammond, pianist; recitation, "Rally Day Welcome," Travis Dutterer; prayer; exercise, "Stand By the Sunday School," Primary children; exercise, "More," by a Primary group; vocal duet, Patricia Hammond and Donna Stone-sifer; recitation, "My Doll," Sally Brown; recitation, "Jesus Loves a Boy," Wayne Koontz; recitation, "A Work in the World," Darlene DeHoff; male quartet.

Guest speaker for the program will be the Rev. S. Paul Schilling, Westminster Theological seminary. This will be followed by another organ and piano duet; recitation, "The Offering," Patricia Yingling; attendance records; offering; perfect attendance awards presented by the superintendent, Ralph Dehoff; secretary's report, John Schaeffer; male quartet; hymn, "A Mighty Fortress Is Our God," and benediction.

FIX PENNA. DAY AT WASHINGTON

Washington, D. C., Sept. 22—Gov-
ernor James H. Duff of Pennsylv-
ania today designated Congress-
man Richard M. Simpson as his

representative to accept a com-
memorative, hand illuminated scroll
from the National Capital Sesqui-
centennial commission in recog-
nition of September 23rd as Pennsylv-
ania Honor Day. Paul M. Mass-
mann, general manager of the com-
mission, will make the presentation.
The ceremonies will be held at
8:00 p.m. on the stage of the Sesqui-

centennial Band Shell on the Sen-
ate Fountain Plaza to be followed
by a concert by the Spring Garden
Band of York, Pa. The band, com-
posed of 90 members led by Lester
K. Loucks, director, will be aug-
mented by a chorus of 100 voices.
Congressman James F. Lind of York
will act as master of ceremonies.
Among those present at the cere-

monies and the concert will be
members of the Pennsylvania State
society headed by President William
H. Davye, also members of the
Pennsylvania Congressional delega-
tion.
Pennsylvania is the 35th state to
be honored with a special state day
in conjunction with the Sesqui-
centennial celebration now going on

here. The celebration is given in
honor of the 150th anniversary of
Washington as the permanent capi-
tal of the nation.
Because most of the gold in South
Africa lies deep underground, fewer
individual prospectors have struck
it rich there than in Australia or
California.

Increase Corn Profits
WITH THE FAMOUS
DEARBORN-WOOD BROS. CORN PICKER

AMERICA'S FAVORITE
• THE RESULT OF 50 YEARS of Wood Bros. experience, this picker is America's favorite. FAST; corn moves through freely. SAVES LOSSES by lifting downed corn, fewer dropped ears, less shelling. HUSKS THOROUGHLY, delivers trash-free undamaged ears. FULFILLS EASILY; can be used with any two-plov tractor with A.S.A.E. standard P.T.O. and hitch. And ECONOMICAL!

New Spiral Husking Bed Feed
Flexible fingered steel spirals spread snapped ears over ALL husking rolls.

Flexible Floating Points with 3 Gathering Chains
Picker can be raised, lowered and points tilted up or down. As it is a one-row picker, points can always be kept centered on row, even in rows as narrow as 26".

Exclusive Rotary Snapping Bar
Snaps any ears missed by the snapping rolls. Also handles heavy trash that might clog. Only Dearborn-Wood Bros. has it!

Just sharpen your pencil—and there you are!

ACROSS this broad land there are thousands of people who have been doing themselves a disfavor. Seems they "just naturally assume" a Buick is beyond their reach—and so pass up the car they're really itching to own.

Now why "assume" anything as important to your happiness as a new car?

Why not see for yourself how delivered prices run—how close Buick matches your own budget—how frequently it is priced under some cars you may be considering?

Then—if there is a particular car in mind—sharpen up your pencil a little.

Is it a six—or an eight, like Buick? If an eight, is it a valve-in-head eight? That adds a plus in efficiency, you know, even without the extra edge of Buick's Fireball power.

Will you ride on four soft coil springs, as in Buick—or on only two? Will the drive be through a sealed torque-tube that keeps the rear wheel assembly firmly aligned? It is in a Buick.

Do you get soft, low-pressure tires as part of the price—or as extras? Will you have bumper guards built as part of the bumper, or a one-piece cast metal grille that can be costly to repair or replace?

Does the price include air cleaner; oil filter; dual horns, windshield wipers and sun visors; an automatic dome light; self-locking luggage lid; a single key for all locks?

And is there an automatic drive*, or one in which gears still shift in normal driving?

Yes, sharpen your pencil—and there you will be, in a Buick.

Whether it's a SPECIAL, a SUPER or a lordly ROADMASTER, you'll be driving the big buy of its price class, and getting a rich bonus of driving comfort, driving thrill and "fashion-first" styling.

But you have to make the first move. You are the one who has to find out. How about starting now—with a call on your Buick dealer?

*Dynamic Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Just sharpen your pencil—and there you are!

Does the price include air cleaner; oil filter; dual horns, windshield wipers and sun visors; an automatic dome light; self-locking luggage lid; a single key for all locks?

And is there an automatic drive*, or one in which gears shift in normal driving?

Yes, sharpen your pencil—and there you will be, in a Buick.

Whether it's a SPECIAL, a SUPER or a lordly ROADMASTER, you'll be driving the big buy of its price class, and getting a rich bonus of driving comfort, driving thrill and "fashion-first" styling.

But you have to make the first move. You are the one who has to find out. How about starting now—with a call on your Buick dealer?

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

ACROSS this broad land there are thousands of people who have been doing themselves a disfavor. Seems they "just naturally assume" a Buick is beyond their reach—and so pass up the car they're really itching to own. Now why "assume" anything as important to your happiness as a new car? Why not see for yourself how delivered prices run—how close Buick matches your own budget—how frequently it is priced under some cars you may be considering? Then—if there is a particular car in

mind—sharpen up your pencil a little. Is it a six—or an eight, like Buick? If an eight, is it a valve-in-head eight? That adds a plus in efficiency, you know, even without the extra edge of Buick's Fireball power. Will you ride on four soft coil springs, as in Buick—or on only two? Will the drive be through a sealed torque-tube that keeps the rear wheel assembly firmly aligned? It is in a Buick. Do you get soft, low-pressure tires as part of the price—or as extras? Will you have bumper guards built as part of the bumper, or a one-piece cast metal grille that can be costly to repair or replace?

News From Littlestown

BICYCLE SAFETY PROGRAM TO BE BACKED BY LIONS

The Littlestown Lions club made plans to sponsor a local bicycle safety program during the remainder of September and throughout October, in cooperation with the governor's Highway Safety committee's child safety program, at their semi-monthly meeting held Thursday evening at Banker's restaurant, Littlestown. President John R. Bloom conducted the business session. He gave a brief resume of the district presidents' and secretary's conferences which he and the secretary, Chester S. Byers, attended recently at the Allenberry inn.

A farewell gift was presented to Lion Elmer W. Gall, a teacher in the Littlestown Junior Senior high school, who will enter the armed forces next week.

Wilbur A. Bankert spoke briefly concerning the Charter Night celebration which the Taneytown Lions club held last week at Basch's restaurant, and which several local Lions and their ladies attended. One guest, Frank Merriam, was present.

The program featured a full length movie in technicolor concerning the life of the gypsies. The club voted a contribution of \$10 to the fund which has been established to provide meals for the members of the Littlestown high school football squad following their out of town games.

The next meeting of the club will be held Thursday, October 5, in charge of the Education committee, which includes J. Donald Lemmon, Paul L. Hollinger and Ralph A. White. The Health and Welfare committee was in charge of Thursday night's program. Members of this committee were Erwin A. Rebert, Amos L. Spangler and George H. Dittlow.

The volcano Fujiyama is the sacred mountain of Japan.

Rose-Ella Tot Shop Has Been Enlarged

Extensive alterations have been made at the Rose-Ella infant and tot shop, 28 West King street, Littlestown, operated by Miss Ella Barker. This store opened for business, October 29, 1949, in the front room of the Barker apartments. Increasing business demanded larger quarters. Recently a partition was taken out, which more than doubled the floor space. The rooms were decorated in pink and blue. Wall cases were added and a large counter, equipped with drawers, was installed. These alterations will permit carrying a much larger stock and afford better displaying facilities.

The "Rose-Ella" carries boys' and girls' wearing apparel from infants to size 6x. Included in the stock is a full line of Playtex baby needs; Tam-O-Shanter polo shirts with socks to match; also corduroy shorts with longies to match. Polly Flinder hand-smocked dresses are carried at all times as well as a full line of Kate Greenaway dresses. For winter needs, there is a fine line of snow suits for boys and girls. The customer will also find a large variety of toys and gift items to take care of both the baby and the mother.

St. Mary's Church To Observe Rally Day

The annual Rally day program will be presented at 10 o'clock Sunday morning in St. Mary's Reformed church, Silver Run, in a combined Sunday school and church service. The following program has been announced: organ and piano duet, Gladys Ehrhart, organist, and Elizabeth Hammond, pianist; recitation, "Rally Day Welcome," Travis Dutterer; prayer; exercise, "Stand By the Sunday School," by a Primary children; exercise, "More," by a Primary group; vocal duet, Patricia Hammond and Donna Stone-sifer; recitation, "My Doll," Sally Brown; recitation, "Jesus Loves a Boy," Wayne Koontz; recitation, "A Work in the World," Darlene DeHoff; male quartet.

Guest speaker for the program will be the Rev. S. Paul Schilling, Westminster Theological seminary. This will be followed by another organ and piano duet; recitation, "The Offering," Patricia Yingling; attendance records; offering; perfect attendance awards presented by the superintendent, Ralph Dehoff; secretary's report, John Schaeffer; male quartet; hymn, "A Mighty Fortress Is Our God," and benediction.

FIX PENNA. DAY AT WASHINGTON

Washington, D. C., Sept. 22—Gov-

ernor James H. Duff of Pennsylvania today designated Congressman Richard M. Simpson as his

representative to accept a commemorative, hand illuminated scroll from the National Capital Sesqui-centennial commission in recognition of September 23rd as Pennsylvania Honor Day. Paul M. Massmann, general manager of the commission, will make the presentation. The ceremonies will be held at 8:00 p.m. on the stage of the Sesqui-

centennial Band Shell on the Senate Fountain Plaza to be followed by a concert by the Spring Garden Band of York, Pa. The band, composed of 90 members led by Lester K. Loucks, director, will be augmented by a chorus of 100 voices. Congressman James P. Lind of York will act as master of ceremonies. Among those present at the cere-

monies and the concert will be members of the Pennsylvania State society headed by President William H. Davye, also members of the Pennsylvania Congressional delegation. Pennsylvania is the 35th state to be honored with a special state day in conjunction with the Sesqui-centennial celebration now going on

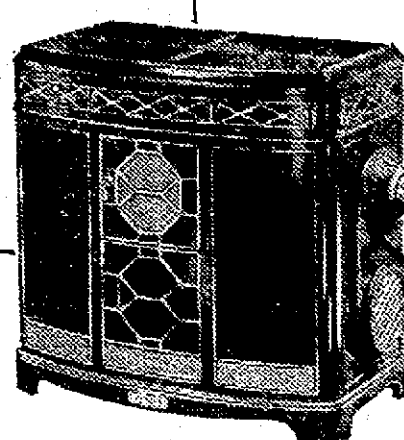

here. The celebration is given in honor of the 150th anniversary of Washington as the permanent capital of the nation.

EXPERIMENT ON GAS LOCOMOTIVE

Pittsburgh, Sept. 22 (AP)—The coal-fired gas turbine locomotive on which Bituminous Coal Research has been working for many months is in the testing stage.

This was revealed by Harold J. Rose, director of research, after a meeting of BCR board of directors. BCR is composed of about 300 coal companies and railroads.

Rose said a full-sized model of the turbine was delivered by Allis-Chalmers company this week to the Dunkirk, N. Y., plant of the American Locomotive company. It is now being given a locomotive-sized installation and will receive extensive tests.

BCR hopes the coal turbine will

offer serious competition to Diesel engines, which have been threatening off the tracks. Spokesmen say the turbine, when perfected, will have greater efficiency in burning coal, will require no water, and have a lower operating cost than Diesels.

Rose also told of two years' work on a continuous coal mining machine which will be ready to enter the mines for trials early in November. "It will have rotating cutting heads with central bursting screws which release lumpy coal with low power consumption," Rose said. "The novel cutting bits are expected to yield substantial savings in conventional mining practice, also."

There are more Chinese in Malaya than Malays, 2,615,000 compared to 2,234,000.

Sunday School Lesson

(Continued from Page 7)

To spread His message of love and redemption? Little wonder that the new convert pursued it with the same intensity that he had persecuted the Christians!

Fortunately Paul had the gift of imparting his enthusiasm to others and soon succeeded in enlisting helpers to assist him. His missionary undertakings form a large part of the Books of Acts. On one journey he stopped at Troas uncertain where to proceed from there. God sent him a vision that night of a man from Macedonia calling for help. The next morning Paul and his companion set sail for Europe and Philippi, carrying for the first time the Gospel into a foreign land.

and it will soon be followed by the grammar, the plowshare, the reaper and the compass."

Before Agrippa

Where did Paul preach Christ? In the marketplace, in the synagogue, on shipboard, in prison, before intellectuals on Mars Hill and particularly before officials of church and State. He made opportunities to have Christ known and accepted. The lesson text is one of Paul's most famous speeches, the one delivered before King Herod Agrippa. It was courteous, eloquent and fearless. In reviewing his life and course as a Christian Paul declared that his work was done under God's direction. Although Agrippa was not entirely convinced, he was so impressed he exclaimed, "With but little persuasion, thou wouldst fain make me a Christian." In only a few decades Christianity had stirred the whole Roman Empire.

Questions on the S. S. Lesson

1. What was Paul's chief aim in life?
2. Which Christian martyr's death did he witness?
3. Where did he receive his vision of Christ?
4. Why was he well suited to be Apostle to the Gentiles?
5. Where do we find the account of his work?
6. What does his defence before Agrippa show?

Answers

1. To make the world Christian.
2. Stephen's.
3. On road to Damascus.
4. Because of background and experience.
5. In Acts and his 13 letters.
6. Paul's fearlessness; impact on Roman thought.

EXPLAINS WHAT RED-CONTROL BILL PROVIDES

By JAMES MARLOW

Washington, Sept. 22 (AP)—This is a 1-2-3 explanation of what the new Communist-control bill, just passed by Congress, sets out to do.

It will become law if President Truman signs it or if he vetoes it and Congress re-passes it over the veto.

The bill does not outlaw the Communist party. So it does not make being a Communist or sympathizer illegal. Its stated purpose is to:

Force Communists and their sympathizers into the open; prevent spying and sabotage; keep Communists out of government jobs and defense plants; give the government power to intern Communists in a wide roundup during war or emergency; deport Communist aliens; and keep such aliens out.

Skelton Outline

What follows is a mere skelton outline of what the bill as law would do—if it worked as it is intended to:

1. The officers of the Communist party, other Communist outfits, and Communist fronts would have to

register with the government.

2. Further, the Communist outfits—but not Communist fronts—would have to reveal the names of their members.
3. These officials of a Communist organization or Communist front would have to reveal who gave them money and how it was spent.
4. It would be a crime for any member of a Communist group or Communist front to hold a government job—unless elected to it—or even look for such a job without disclosing his Communist connections.
5. It would be a crime for any member of a Communist outfit or Communist front to look for a job in a defense plant without revealing his Communist ties.
6. And, further, a member of a Communist outfit couldn't hold a job in a defense plant although a member of a Communist front could.
7. No government employee or defense plant employee could knowingly contribute any money or service to a Communist outfit or Communist front.
8. No government employee could knowingly give to a member of a Communist organization information listed as "classified" by the President or head of a department or agency, unless authorized by the President.
9. No member of a Communist organization, front or otherwise, could receive such information.
10. No member of a Communist

outfit or Communist front could receive a passport to get out of the country or even apply for one.

11. And it would be a crime for any government employee to give such a person a passport.

Mails Closed To Them

12. It would be a crime for any Communist group or Communist front, or for any individual acting for either, to send any material through the mails or talk over the radio or television without labeling what was written or said as material coming from a Communist organization.

Anyone found guilty of violating any one of these 12 points in the

bill could be jailed for five years or fined \$10,000.

Then the bill has a lot of provisions to keep out of this country aliens who are Communists or Communist sympathizers and to deport Communist aliens already in this country. Another part of the bill gives the government power to ban Communist fronts from getting into defense areas. This was aimed at preventing sabotage.
